This condition applies not only to us, but also to any organization which makes inspections, surveys, reports or recommendations, on behalf of or as an agent of the Pool.

C. CANCELLATION

9. We will not pay you more than your financial interest in the Covered Property.

B. DEDUCTIBLE

We will not pay for loss or damage in any one occurrence until the amount of loss or damage exceeds the Deductible shown in the Named Member's Coverage Certificate. We will then pay the amount of loss or damage in excess of the Deductible up to the applicable limit of coverage for the scheduled property. In the event more than one Deductible could apply to the loss, only the highest deductible may be applied. Under Agreement B-"Automobile", no deductible applies to the cost to repair (but not to replace) windshield damage, breakage or loss, as long as such damage, breakage or loss is not caused by "collision."

C. APPRAISAL

In the event that you and we are unable to agree as to the value of the Covered Property, the amount necessary to rebuild, repair or replace the damaged or destroyed property, the amount of loss, or the amount of reimbursement to be paid, either party may make a written demand for Appraisal of the loss. If either party demands Appraisal, each shall select a competent and disinterested Appraiser and the two Appraisers shall select an Umpire. If the two Appraisers cannot agree on the selection of an Umpire, either may request that selection be made by a judge of a court having competent jurisdiction.

The Appraisers will state separately the value of the property and the amount of the loss. If they fail to agree, they shall submit their differences to the Umpire.

The award, in writing, duly verified by any two shall determine the values in question. Both parties shall pay the cost of their own Appraisers and equally prorate the cost of the Umpire.

The award shall only determine the values in question, but shall not determine, vary, affect, eliminate or supersede any other provision or requirement of, or any right, duty or liability of either you or us under this Certificate.

D. ABANDONMENT

There can be no abandonment of any property to us.

E. RECOVERED PROPERTY

If either you or we recover any property after a loss settlement, that party must give the other prompt written notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the applicable Limit of Coverage as set forth on the Building & Personal Property Schedule.

F. VACANCY

If the building where loss or damage occurs has been vacant for more than ninety (90) consecutive days before the loss or damage occurs, and whether or not the vacancy began before the beginning of this Certificate, we will:

In the event of loss or damage to property of others held by the Member for which claim is made upon the Pool, the right to adjust such loss or damage with the owner or owners of the property is reserved to the Pool and the receipt of such owner or owners in satisfaction thereof shall be in full satisfaction of any claim of the Member for which such payment has been made.

If legal proceedings are taken to enforce a claim against the Member as respects any loss or damage, the Pool reserves the right, at its option, without expense to the Member, to conduct and control the defense on behalf of and in the name of the Member. No action of the Pool, in such regard, shall increase the liability of the Pool under this Certificate, nor increase the limits of liability specified in this Certificate;

10. If requested, permit us to question you under oath, while not in the presence of any other insured and at such times and places as we may reasonably require, about any matter relating to this coverage or your claim, including your books and records. In such event, your answers must be signed.

 - a. The Mortgage Holder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and
 - b. The Mortgage Holder's right to recover the full amount of the Mortgage Holder's claim will not be impaired;

At our option, we may pay to the Mortgage Holder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

6. If we cancel this Coverage Part, we will give written notice to the Mortgage Holder at least:
 - a. 10 days before the effective date of cancellation if we cancel for your nonpayment of contribution or assessments; or

The Named Member must notify us in writing, within thirty (30) days of its receipt of the written change in value, if it disagrees with the change in value. Failure of the Named Member to notify us as set forth in the preceding sentence will constitute agreement by the Named Member to the change in value.
- C. If, at any time during the period of this Certificate, the total value of one or more Scheduled Real Properties shown on the Building & Personal Property Schedule attached to this Certificate increases, in the aggregate, by a total value of \$1,000,000 more than the total value of that or those Scheduled Real Properties at the commencement of this Certificate Period, we will increase, as appropriate, the contribution to be paid by the Named Member for that or those Scheduled Real Properties. If more than one “Flood” incident or event shall occur within any period of seventy-two (72) hours during the term of this Certificate, all such “Flood” incidents or events shall be deemed to be a single “Flood” loss occurrence within the meaning hereof.

B. LIMIT OF COVERAGE

Except for properties located in Special Flood Hazard Areas (SFHA), including Flood Zones A, AO, AE, AH, A1-30, A99, AR, V, VE and V1-30, the total liability of the Pool for such loss or damage is the sum of ALL covered property, as defined in Section II – Agreement A, for ALL Members of the Pool, not to exceed \$101,000,000 in any one flood loss occurrence. The total amount we will pay to ALL Named Members in the annual aggregate in any single one-year Certificate period will not exceed \$101,000,000. This limit is the total limit of coverage provided by the Pool’s reinsurers at the time of loss and is not subject to the assessment clause stated in the “Maine Municipal Association Public Self-Funded Pool Contract Agreement.”

For properties located in Special Flood Hazard Areas (SFHA), including all Flood Zones described in the preceding paragraph, the total liability of the Pool for such loss or damage is the sum of ALL covered property, as defined in Section II – Agreement A, for ALL Members of the Pool, not to exceed \$51,000,000 in any one flood loss occurrence. 2. In the event the total direct physical loss or damage caused by Flood to Named Members is greater than the amount described in paragraph B, we will pay each Named Member that portion which its direct physical loss or damage bears to the fraction produced by dividing the amount described in paragraph B by the total direct physical loss or damage sustained by all Named Members. In calculating the amount to be paid to each Named Member, any Named Member with direct physical loss or damage exceeding \$10,000,000 will be deemed to have direct physical loss or damage of \$10,000,000.

SECTION II – EXTENSIONS

EARTHQUAKE EXTENSION

F. VALUATION

Only for the coverage provided in this Extension, paragraph A of SECTION II - CONDITIONS is replaced by the following:

1. SECTION II - EXTENSIONS

FUNGUS, WET ROT, DRY ROT AND BACTERIA

This Extension applies only when the "fungus", wet or dry rot or bacteria is caused by or results from one or more "specified causes of loss" which occur during the period of this Certificate and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence. This Extension is subject to all terms, conditions and exclusions of Section II-Agreement A and subject to the additional limitations, terms, conditions and exclusions that appear in this Extension.

A. COVERAGE

We will pay for loss or damage to any item of Covered Property defined in Paragraphs A(1)(a) and A(1)(a) (1), (2) and (4) of SECTION II – DEFINITIONS caused by "fungus", wet or dry rot or bacteria. As used in this Extension, the term loss or damage means:

1. Direct physical loss or damage to such Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria.
2. The cost to tear out and replace any part of such Covered Property as needed to gain access to the "fungus", wet or dry rot or bacteria; and
3. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.

B. LIMIT OF COVERAGE

1. The coverage described under this Extension is limited to \$50,000 per loss occurrence. With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$50,000 even if the "fungus", wet or dry rot or bacteria continues to be present or active, or recurs, in a later Certificate period. Regardless of the number of claims, the amount of loss or losses, or the number of occurrences, the most we will pay for the total of all loss or damage arising out of all occurrences which take place during the period of this Certificate is \$100,000.
2. The coverage provided under this Extension does not increase the applicable Limit of Coverage on any item of such Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Coverage on the affected Covered Property. If there is covered loss or damage to such Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Extension, except to the extent that "fungus", wet or dry rot or bacteria

3. Causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Extension.

C. CONDITIONS

The following applies only if coverage is available to the Named Member under the Loss of Business Income Extension, the Extra Expense Extension, and/or the Loss of Rent Extension of this Certificate, and only if the “suspension” of “operations” satisfies all terms, conditions and definitions of the applicable Extension.

1. If the loss which resulted in "fungus", wet or dry rot or bacteria does not in itself necessitate a "suspension" of "operations", but such "suspension" is necessary due to loss or damage to such Covered Property caused by "fungus", wet or dry rot or bacteria, then our payment under the applicable Extension is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.
2. If a covered "suspension" of "operations" is caused by loss or damage other than "fungus", wet or dry rot or bacteria but remediation of "fungus", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when, but only if, such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

D. DEFINITIONS

1. As used in this Extension, “specified causes of loss” means the following: fire; lightning; flood; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire-extinguishing equipment; “sinkhole collapse”; volcanic action; falling objects; accumulation of ice or snow that collects on a roof of a building or structure identified on the Property Schedule attached to this Certificate; “water damage”.

 - b. Sinkhole collapse means the sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This cause of loss does not include:
 - (1) The cost of filling sinkholes; or
 - (2) Sinking or collapse of land into man-made underground cavities.
 - c. Falling objects does not include loss or damage to:

- (1) Personal property in the open; or
 - (2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object.
- d. Water damage means accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of a plumbing, heating, air conditioning or other system or appliance (other than a sump system including its related equipment and parts), that is located on the described premises and contains water or steam.

SECTION II – EXTENSIONS
COMPUTER VIRUS EXTENSION

This Extension covers loss or damage only when caused by and resulting from a “computer virus,” as described and limited in this Extension, subject, unless specifically stated otherwise in this Extension, to all limitations, terms, conditions and exclusions of SECTION I – TERMS AND CONDITIONS and of SECTION II – AGREEMENT A, and also subject to the additional limitations, terms, conditions and exclusions that appear in this Extension. The coverage provided in this Extension does not apply if there is coverage for any loss or damage under any other Agreement, Extension, endorsement or part of SECTION II – PROPERTY COVERAGE of the Coverage Certificate.

A. COVERAGE

We will pay the following only when caused by or resulting from a “computer virus” which is entered into your computer system during the period of this Certificate:

1. The cost of restoring, researching, replacing, or reproducing your “electronic data” or the media upon which your “electronic data” is magnetically or optically reported. To the extent that your “electronic data” is not, or cannot be, replaced or restored, we will pay the cost of replacement of the media on which the “electronic data” was stored or recorded, with blank media of substantially identical type.
2. “Loss of Income” if there is an interruption or “suspension” of your “operations” because of loss or damage to your software.
3. “Extra Expense” if there is an interruption or “suspension” of your “operations” because of loss or damage to your software.

In

addition to all other exclusions in SECTION I – COMMON EXCLUSIONS and SECTION II – EXCLUSIONS, this Extension does not cover, and we shall not pay for, any loss or damage directly or indirectly caused by, resulting from, related to, due to, or arising out of any of the following:

1. Any intentional dishonest, fraudulent or criminal act or omission by you or by any Member, whether acting alone or in collusion with others.
2. Any intentional, dishonest, fraudulent or criminal act or omission by anyone
 - a. Authorized to act for you or on your behalf;

9. An “unsupported operating system.”

C. LOSS DETERMINATION, VALUATION AND PAYMENT

1. Under this Extension we will not pay for any loss or damage caused by or resulting from one instance or occurrence of a “computer virus” until the amount of loss or damage exceeds the deductible of \$1,000. We will then pay for all loss or damage in excess of the deductible up to \$25,000. This is the most we will pay regardless of the separate or combined loss determinations and valuations for each of the items described in Paragraph A(1) through (5) above and regardless of the separate or combined loss determinations and valuations described in paragraphs (2) through (4) below.

The most we will pay under this Extension, in the aggregate, for all loss or damage caused by and resulting from all instances or occurrences constituting a “computer virus” is \$50,000. This is the most we will pay regardless of the separate or combined loss determinations and valuations for each of the items described in Paragraph A(1)

through (5) above, regardless of the separate or combined loss determinations and valuations described in paragraphs (2) through (4) below, regardless of the number or types of instances or occurrences constituting a “computer virus,” and regardless of the total loss or damage caused by and resulting from all instances or occurrences constituting a “computer virus.”

2. “Loss of Income”

- a. The amount of the “Loss of Income” you sustain due to necessary “suspension” or your “operations” during the “period of restoration” will be determined based on:
 - (1) Your net income before the loss or damage occurred;
 - (2) Your likely net income if no loss or damage had occurred;
 - (3) The normal operating expenses, including payroll expenses, incurred, paid or payable before the loss or damage occurred;
 - (4) The operating expenses, including payroll expenses, necessary to resume “operations” with the same quality of service that existed just before the loss or damage; and
 - (5) Other relevant sources of information including:
 - (i) Your financial records and accounting procedures;
 - (ii) Bills, invoices and other vouchers; and
 - (iii) Deeds, liens or contracts.
- b. We will only pay for “Loss of Income” you sustain during the “period of restoration,” or which occurs within 12 consecutive months after the date of loss or damage, whichever is less.
- c. We will reduce the amount of your “Loss of Income” to the extent you can resume your “operations,” in whole or in part, by using damaged or undamaged property at the loss location or elsewhere.
- d. If you do not resume “operations,” or do not resume “operations” as soon as practicable with due diligence and reasonable speed, we will pay based on the length of time it would have taken to resume “operations” as soon as practicable with due diligence and reasonable speed, but in no event for more than 12 consecutive months after the date of loss or damage.

3. “Extra Expense”

- a. The amount of the “Extra Expense” you sustain will be determined based on:

- (1) All expenses that exceed the normal operating expenses that would have been incurred by your “operations” during the “period of restoration” if no loss or damage had occurred. We will deduct from the total of such expenses the salvage value that remains of any property bought for temporary use during the “period of restoration,” once “operations” are resumed;
 - (2) Necessary expenses that reduce the “Loss of Income” that otherwise would have been sustained or incurred;
 - (3) The normal operating expenses, including payroll expenses, incurred, paid or payable before the loss or damage occurred;
 - (4) The operating expenses, including payroll expenses, necessary to resume “operations” with the same quality of service that existed just before the loss or damage; and
 - (5) Other relevant sources of information including:
 - (i) Your financial records and accounting procedures;
 - (ii) Bills, invoices and other vouchers; and
 - (iii) Deeds, liens or contracts.
- b. We will only pay for “Extra Expense” you incur during the “period of restoration,” or which occurs within 12 consecutive months after the date of loss or damage, whichever is less.
- c. We will reduce the amount of your “Extra Expense” loss to the extent you can return your “operations” to normal, i.e., to the condition that would have existed had no loss or damage occurred, and discontinue such “Extra Expense.”
- d. If you do not resume “operations,” or do not resume “operations” as soon as practicable with due diligence and reasonable speed, we will pay based on the length of time it would have taken to resume “operations” as soon as practicable with due diligence and reasonable speed, but in no event for more than 12 consecutive months after the date of direct physical loss or damage.
- e. “Extra Expense” does not include expenditures incurred in the purchase, construction, repair, or replacement of any physical property unless incurred for the purpose of reducing loss under this Extension, not exceeding, however, the amount by which the loss is so reduced. Any salvage value of property so acquired which may be sold or utilized by you upon resumption of normal “operations” shall be taken into consideration in the adjustment of the loss.

4. “Accounts Receivable Costs”

“Accounts Receivable Costs” includes the valuation of your “accounts receivable.” We will determine that valuation as follows:

- a. If you cannot accurately establish the amount of “accounts receivable” outstanding as of the time of loss or damage, the following method will be used:
 - (1) Determine the total of the average monthly amounts of “accounts receivable” for the 12 months immediately preceding the month in which the loss or damage occurs; and
 - (2) Adjust that total for any normal fluctuations in the amount of “accounts receivable” for the month in which the loss or damage occurred or for any demonstrated variance from the average for that month.
 - b. The following will be deducted from the total amount of “accounts receivable,” however that amount is established:
 - (1) The amount of the accounts for which there is no loss or damage;
 - (2) The amount of the accounts that you are able to re-establish or collect;
 - (3) An amount to allow for probable bad debts that you are normally unable to collect; and
 - (4) All unearned interest and service charges.
5. We will pay if you have complied with all of the terms and conditions of this Extension and this Certificate and:
- a. We have reached an agreement with you in the amount of loss; or
 - b. An appraisal award has been made.

D. CONDITIONS

1. Recoveries
 - a. After we have paid you, you must immediately turn over to us any and all amounts recovered by you on “accounts receivable” until we have been paid in full. If you recover more than the amount we paid you, the excess over the amount we paid you belongs to you.
 - b. If you recover any amounts from any third party, you must give us prompt written notice of the amount of recovery, the date of recovery, and the name and present address of the third party.
 - c. If we request your help, you must help and cooperate fully with us to collect “accounts receivable” owed to you.
 - d. If we request your help, you must help and cooperate fully with us to recover any amounts from any third party liable for any loss or damage you have sustained.
2. Resumption of Operations

After any loss or damage, you must use due diligence and reasonable speed to, as soon as practicable:

- a. Resume normal “operations;” and
- b. End or, where the circumstances require, reduce all charges, expenses, costs and loss as are being incurred or sustained because of the loss or damage.

E. DEFINITIONS

1. “Accounts Receivable” means the amounts owed to you by those with whom you deal. “Accounts receivable” does not include taxes, whether assessed, billed, contingent, pending, owed, or partially or fully paid.

 - f. “Accounts Receivable Costs” does not include, and we will not pay for:
 - (1) Any loss or cost that results from mistakes made in bookkeeping, accounting or billing;
 - (2) Any loss or cost if its existence can be shown only by an inventory count or an audit. However, if the existence of a loss can be shown by other means, you may use an inventory count or audit to support your claim for that loss;
 - (3) Any loss or cost resulting from any intentional, dishonest, fraudulent or criminal act or omission by you, by any Member, or by anyone authorized to act for you or on your behalf.
 - (4) Any loss arising out of bad debts; or
 - (5) Any loss arising out of aged “accounts receivable” greater than 180 days.
3. “Computer Equipment” means your programmable electronic equipment that is used to store, retrieve and process “electronic data.” It includes their component parts and

air conditioning, fire suppression equipment and electrical equipment used exclusively in your computer operations as well as associated peripheral equipment that provides communication including input and output functions such as printing or auxiliary functions such as “electronic data” transmission.

4. “Computer Virus” means a computer program or computer code which is entered into your computer system during the period of this Certificate without your knowledge, and which causes a disruption of normal program or computer system operation, but it does not mean an error in design or a programming error.

1. Arises out of your business;
2. Is first committed during the period of this Certificate; and

Only for the coverage provided under this Limited Abuse or Molestation Liability Coverage, Section I – Common Exclusion D and Section III – Liability Coverage Exclusion 7 do not apply. All other Common Exclusions and all other Section III – Liability Coverage Exclusions apply. Additionally, coverage provided under this Limited Abuse or Molestation Liability Coverage does not apply to any of the following:

1. “Bodily injury” or “personal injury” arising out of an “abuse or molestation offense” committed at the direction of the Member or that the Member knowingly allowed to happen.

6. “Bodily injury” or “personal injury” for which the Member is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:
 - a. That would be imposed on the Member by law in the absence of the contract or agreement; or
 - b. Assumed in a contract or agreement that is a “covered contract,” provided the “bodily injury” or “personal injury” is caused by an “abuse or molestation offense” committed subsequent to the signing and execution of the contract or agreement. Solely for the purposes of liability assumed in a “covered contract,” reasonable attorneys fees and necessary litigation expenses incurred by or for a party other than a Member are deemed to be damages because of “bodily injury” or “personal injury,” provided:
 - (1) Liability to such party for, or for the cost of, that party’s defense has also been assumed in the same “covered contract;” and

2. Any person or organization that has been added to this Certificate as a Member, or any employee, leased worker, agent, representative or volunteer worker of such person or organization.

However, if you have specifically agreed in a “written contract requiring insurance” to include such person or organization as an additional Member covered under this Limited Abuse or Molestation Liability Coverage, such person or organization is covered, but only to the extent that the person or organization is alleged to be, or is, vicariously liable for “bodily injury” or “personal injury” caused by an “abuse or molestation offense” which is committed by a person who

is a Member as defined in SECTION I – COMMON DEFINITION B(1) or (2), and which arises out of your business. The person or organization does not qualify as a Member for or with respect to liability caused, or alleged to have been caused, by or arising out of his or its own acts, conduct or omissions, or acts, conduct or omissions by others acting on his or its behalf. In the event that each “abuse or molestation offense” limit or the aggregate “abuse or molestation offense” limit set forth below in paragraph IV – Limits exceeds the limits of liability required by the “written contract requiring insurance,” the coverage provided to the additional Member will be limited to the limits of liability required by that “written contract requiring insurance.” This paragraph does not increase the limits of insurance described below in paragraph IV – Limits under this Limited Abuse or Molestation Liability Coverage.

A. COVERAGE

1. EQUIPMENT BREAKDOWN PROTECTION – PROPERTY DAMAGE

We will pay for risks of direct physical loss or damage to “Covered Property” located at the “Locations,” but only if caused by or resulting from a “Breakdown” to “Covered Equipment.” The most we will pay is the Limit of Coverage for Property Damage stated in the Equipment Breakdown Protection Schedule. This limit is a part of and not in addition to the total Limit per ‘One Breakdown’ Limit of Coverage.

2. COVERAGE EXTENSIONS

If a Limit of Coverage appears in any of the Coverage Extensions listed in this Extension’s Equipment Breakdown Protection Schedule, you may extend the coverage provided by this Extension to such coverage as follows. The most we will pay under any of these Coverage Extensions is the Limit of Coverage for each such Coverage Extension stated in the Equipment Breakdown Protection Schedule. These limits are part of and not in addition to the total Limit per ‘One Breakdown’ Limit of Coverage.

These coverages apply to that portion of the direct physical loss or damage that is caused by or results from a “Breakdown” to “Covered Equipment” that is not excluded elsewhere in this Certificate or in this Equipment Breakdown Protection Extension.

If a Limit of Coverage appears in any of the following coverages in the Coverage Extensions listed in this Extension’s Equipment Breakdown Protection Schedule, then such coverage as is provided elsewhere in this Certificate is extended to include loss and expense caused by or resulting from a covered “Breakdown” to “Covered Equipment.” The Limit of Coverage as stated for each of these Coverage Extensions in this Extension’s Equipment Breakdown Protection Schedule is the most we will pay for such loss and expense.

- LOSS OF “BUSINESS INCOME”
- LOSS OF RENT
- “EXTRA EXPENSE”
- ACCOUNTS RECEIVABLE
- APPURTENANT STRUCTURES NOT IDENTIFIED IN PROPERTY SCHEDULE
- ARCHITECTS’ AND ENGINEERS’ FEES
- CIVIL AUTHORITY
- DEBRIS REMOVAL
- EXPENSES TO REDUCE LOSS
- “FUNGUS”, WET ROT, DRY ROT AND BACTERIA
- INCREASED COST OF CONSTRUCTION
- NEWLY ACQUIRED OR CONSTRUCTED PROPERTY
- PRESERVATION OF PROPERTY
- PROPERTY OFF-PREMISE

3. ADDITIONAL COVERAGE EXTENSIONS

If a Limit of Coverage appears in any of the Additional Coverage Extensions listed in this Extension's Equipment Breakdown Protection Schedule, you may also extend the coverage provided by this Extension to such coverage as follows. The most we will pay under any of these Additional Coverage Extensions is the Limit of Coverage for each such Additional Coverage Extension stated in the Equipment Breakdown Protection Schedule. These limits are part of and not in addition to the total "Limit per 'One Breakdown'" Limit of Coverage.

These coverages apply only to that portion of the direct physical loss or damage that is covered by or results from a "Breakdown" to "Covered Equipment" that is not excluded elsewhere in this Certificate or in this Equipment Breakdown Protection Extension.

a. SPOILAGE DAMAGE

We will pay for:

- (1) Spoilage damage to "Perishable Goods."
- (2) Utility Interruption – Spoilage Damage
Spoilage damage to "Perishable Goods" that is caused by or results from an interruption in utility services that is the direct result of a "Breakdown" to "Covered Equipment" owned, operated or controlled by a private or public utility, landlord or other supplier with whom you have a contract to provide you with any of the following services: air conditioning, communication services, electric power, gas, heating, refrigeration, steam, water or waste treatment.

For this coverage to apply, the interruption of such utility service to your "locations" must continue uninterrupted for at least the consecutive period of time shown in the Equipment Breakdown Protection Schedule for Utility Interruption – Spoilage Damage. Once this waiting period is met, coverage will commence at and as of the initial time of the interruption and will then be subject to the applicable deductible.

- (3) We will pay any necessary expenses you incur to reduce or avert the amount of loss under this Additional Coverage Extension to the extent those expenses do not exceed the amount of loss that otherwise would have been payable under this Additional Coverage Extension.

As respects spoilage damage caused by a "Breakdown" to "Covered Equipment" only, coverage provided under this Additional Coverage Extension supersedes any other Spoilage coverage provided elsewhere in this Certificate.

b. OFF PREMISES SERVICE INTERRUPTION – TIME ELEMENT

If a Limit of Coverage appears in the Loss of “Business Income”, Loss of Rent, and/or in the “Extra Expense” coverages in the Coverage Extensions listed in this Extension’s Equipment Breakdown Protection Schedule, those coverages are extended to include loss resulting from the interruption in utility services provided all of the following conditions are met:

- (1) The interruption is the direct result of a “Breakdown” to “Covered Equipment” owned, operated or controlled by a local private or public utility or distributor that directly generates, transmits, distributes or provides utility services which you receive; and
- (2) The “Covered Equipment” is used to supply air conditioning, communication services, electric power, gas, heating, refrigeration, steam, water or waste treatment to one or more of your “Locations”; and
- (3) The interruption in utility service to one or more of your “Locations” continues uninterrupted for at least the consecutive period of time shown in the Equipment Breakdown Protection Schedule for Off Premises Service Interruption – Time Element.

c. “ELECTRONIC DATA” OR “MEDIA” COVERAGE

If:

- (1) A Limit of Coverage appears in the Loss of “Business Income”, in the Loss of Rent, and/or in the “Extra Expense” coverages in the Coverage Extensions listed in this Extension’s Equipment Breakdown Protection Schedule; and
- (2) “Media” is damaged or “Electronic Data” is lost or corrupted as a direct result of a “Breakdown” to “Covered Equipment”;

We will pay your actual Loss of “Business Income”, Loss of Rent, and/or your “Extra Expense” during the time reasonably necessary, with due diligence and reasonable speed, to:

- (i) Research, recreate, replace or restore the damaged “Media” or lost or corrupted “Electronic Data”; and
- (ii) Reprogram instructions used in any covered “Computer Equipment”.

There shall be no coverage under this Additional Coverage Extension if any “Electronic Data” or “Media” cannot be replaced, recreated, or restored.

The most we will pay under this Additional Coverage Extension for “Business Income” and/or for “Extra Expense” incurred is the Limit of Coverage stated for “Electronic Data” or “Media” coverage in the Equipment Breakdown Protection Schedule.

d. EXPEDITING EXPENSE

With respect to your damaged “Covered Property”, we will pay the reasonable extra cost you incur to:

- (1) Make temporary repairs; and
- (2) Expedite permanent repairs or permanent replacement.

e. EXTENDED “PERIOD OF RESTORATION”

The “Period of Restoration,” as defined in Paragraph F(17) of this Extension, is extended by the number of consecutive days indicated in the Equipment Breakdown Protection Schedule.

f. “GREEN” COVERAGE

1. “GREEN” ALTERNATIVE ADDITIONAL COSTS

a. We will pay for the reasonably additional cost you incur to:

- (1) Repair or replace the damaged or destroyed portions of the “Covered Property” (except as may be provided under Paragraph E(3)(b) of this Extension) using products or materials that:
 - (a) Are “Green” alternatives to the products or materials of the damaged or destroyed “Covered Property”, in accordance with the documented standards of a “Green Authority”; and
 - (b) Are otherwise of comparable quality and function to the damaged or destroyed “Covered Property”; and
- (2) Employ “Green” methods or processes of construction, disposal or recycling in the course of the repair and replacement of the damaged or destroyed “Covered Property”, in accordance with the documented standards of a “Green Authority”

b. “Green” Reengineering, Recertification and Related Expenses

- (1) If, as a direct result of “Breakdown” to “Covered Equipment”, the pre-loss level of “Green” certification by a “Green Authority” on the “Covered Property” is lost, we will pay for the following reasonable additional expense you incur to re-attain the pre-loss level of “Green” certification from that “Green Authority”:
 - (a) The reasonable additional expense you incur to hire a qualified engineer or other professional required by the “Green Authority” to be involved in:
 - (i) Designing, overseeing or documenting the repair or replacement of the damaged or destroyed “Covered Property”; or
 - (ii) Testing and recalibrating the systems and mechanicals of the damaged or destroyed “Covered Property” to verify that the systems and mechanicals are performing in accordance with the design of such systems and mechanicals or the specifications of the manufacturer; and
 - (b) The reasonable registration and recertification fees charged by the “Green Authority”.
- (2) After repair or reconstruction is completed, we will pay your reasonable expenses to flush out the renovated space and/or conduct air quality testing of the renovated space in accordance with the recommended procedures of a “Green Authority” and for the purpose of mitigating indoor air quality deficiencies resulting from the repair or reconstruction.
- (3) Coverage applies to the additional expenses described in paragraphs 1.b. (1) and (2) above that you incur to achieve the pre-loss level of “Green” certification in accordance with the standards of the “Green Authority” that exist at the time of repair or replacement, even if the standards have changed since the original certification was achieved.

- c. Coverage provided under paragraphs 1.a. and b. above applies only if replacement cost valuation applies to the damaged or destroyed “Covered Property” and then only if the “Covered Property” is actually repaired or replaced as soon as reasonably possible after the “Breakdown” to “Covered Equipment”.
- d. The most we will pay for coverage provided under paragraphs 1.a. and b. of this Additional Coverage Extension for any “One Breakdown” is the least of:
 - (1) The percentage factor shown in the Equipment Breakdown Protection Schedule multiplied by the amount we would otherwise pay for loss covered under this Extension’s COVERAGE A(1) – EQUIPMENT BREAKDOWN PROTECTION – PROPERTY DAMAGE prior to the application of any applicable deductible; or
 - (2) The Additional Costs Limit of Coverage shown in the Equipment Breakdown Protection Schedule.

This limit is part of, and not in addition to, the total Limit per ‘One Breakdown’ Limit of Coverage.

2. “GREEN” COVERAGE TIME ELEMENT

- a. If a Limit of Coverage appears in the Loss of “Business Income”, Loss of Rent, and/or the “Extra Expense” coverages in the Coverage Extensions listed in this Extension’s Equipment Breakdown Protection Schedule, we will pay your actual and necessary Loss of “Business Income”, Loss of Rent, and/or “Extra Expense” incurred during any increase of time beyond the “Period of Restoration” which is reasonable and necessary to:
 - (1) Repair or replace the damaged or destroyed portions of the “Covered Property” using products or materials that:
 - (a) Are “Green” alternatives to the products or materials of the damaged or destroyed “Covered Property”, in accordance with the documented standards of a “Green Authority”; and
 - (b) Are otherwise of comparable quality and function to the damaged or destroyed “Covered Property; and

(2) Employ “Green” methods of processes of construction, disposal or recycling in the course of the repair and replacement of the damaged or destroyed “Covered Property”, in accordance with the documented standards of a “Green Authority”.

b. The coverage provided under paragraph 2.a. of this Additional Coverage Extension does not increase the applicable Limit of Coverage for Loss of “Business Income”, Loss of Rent, or for “Extra Expense” stated in the Equipment Breakdown Protection Schedule.

g. POLLUTANT DEBRIS REMOVAL AND COST OF CLEAN UP

Only to the extent set forth immediately below in this Paragraph 3(g), Paragraph A of SECTION I – COMMON EXCLUSIONS does not apply.

If “Covered Property”, including land or water owned by you at your “Locations” is damaged, contaminated or polluted by a “Hazardous Substance” as a direct result of a “Breakdown” to “Covered Equipment”, we will pay for any additional expenses incurred by you for clean-up, repair, replacement or disposal of the affected “Covered Property”.

As used here, additional expenses means the additional cost incurred over and above the amount that we would have paid had no “Hazardous Substance” been involved with the loss.

Ammonia is not considered to be a “Hazardous Substance” as respects this limitation. If a Limit of Coverage appears in the Loss of “Business Income”, in the Loss of Rent, and/or in the “Extra Expense” coverages in the Coverage Extensions listed in this Extension’s Equipment Breakdown Protection Schedule, we will also pay for any loss of “Business Income” or “Extra Expense” caused by such damage, contamination or pollution.

The most we will pay for a “Breakdown” to “Covered Equipment”, “Business Income”, Loss of Rent, and/or “Extra Expense” under this Additional Coverage Extension shall be the Limit of Coverage stated in the Equipment Breakdown Protection Schedule for Pollutant Debris Removal and Cost of Clean Up.

h. REFRIGERANT CONTAMINATION

Only to the extent set forth immediately below in this Paragraph 3(h), Paragraph A of SECTION I – COMMON EXCLUSIONS does not apply.

If “Covered Property” is contaminated by a refrigerant, including ammonia, as a direct result of a “Breakdown” to “Covered Equipment”, we will pay for such damage, including salvage expense and any additional expenses incurred by you for clean-up, repair, replacement or disposal of that property.

i. WATER DAMAGE

If “Covered Property” is damaged by water as a direct result of a “Breakdown” to “Covered Equipment”, we will pay for such damage, including salvage expense.

B. EXCLUSIONS

Only for the coverage provided by this Equipment Breakdown Protection Extension, SECTION II – EXCLUSIONS A(3), A(6) and A(8) do not apply.

Under this Equipment Breakdown Protection Extension, we will not pay for loss or damage caused directly or indirectly by any of the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

1. “Breakdown” resulting from or caused by capsizing, collapse, collision, upset or overturning of any mobile “Covered Equipment”, the vehicle or floating vessel by which the mobile “Covered Equipment” is transported, or the platform or other base on which the mobile “Covered Equipment” is positioned.
2. Depletion, deterioration, corrosion, erosion, wear and tear, and rust. However, if a “Breakdown” ensues, we will pay the ensuing loss or damage not otherwise excluded.
3. Earth Movement including, but not limited to, earthquake; landslide; land subsidence; mine subsidence; sinkhole collapse; or volcanic action; or other rising or shifting of earth that results from, contributes to, or is aggravated by any of the above, all whether naturally occurring or due to man-made or other artificial causes.
4. An explosion. However, we will pay for direct loss or damage caused by an explosion of “Covered Equipment” of the following kind:
 - (1) Steam boiler; electric steam generator; steam piping; steam turbine; steam engine; or
 - (2) Gas turbine or any other moving or rotating machinery, when such explosion is caused by centrifugal force or mechanical “breakdown”.
5. Fire, including smoke, and water or other means used to extinguish a fire even when the attempt is unsuccessful.
6. “Fungus”, wet rot and dry rot, and bacteria, except as provided under this Extension’s COVERAGE A (2) – COVERAGE EXTENSIONS.
7. Specified Perils

Loss caused by or resulting from: aircraft; civil commotion; collapse; combustion explosion; freezing caused by cold weather; hail; impact of aircraft, missile or vehicle; lightning; molten material; objects falling from aircraft missiles; riot; smoke; vandalism; vehicles; weight of snow, ice or sleet; or windstorm.

However, we will pay for “Breakdown” to “Covered Equipment” if one of the Specified Perils listed above occurs away from your “Locations” and causes an electrical surge or other electrical disturbance that comes through utility transmission lines, if such electrical surge or disturbance is not covered elsewhere in this Certificate.

8. Testing

Any “Breakdown” to “Covered Equipment” that takes place while the “Covered Equipment” is undergoing a test which subjects the “Covered Equipment” to greater than maximum allowable operating conditions as identified by the manufacturer of the “Covered Equipment”.

9. Water

- (1) Flood, surface water, waves, tides, tidal waves, tsunamis, overflow of any body of water, or their spray, all whether driven by wind or not;
- (2) Mudflow or mudslides; or
- (3) Water damage caused by backup of sewers, drains, or drainage piping, all whether naturally occurring or due to manmade or other artificial causes.

However, we will pay the expenses you incur to dry out electrical “Covered Equipment” resulting from such causes of loss. We will not pay for any other resulting loss or expense.

10. Water damage caused by the discharge or leakage of a sprinkler system, sewer piping or domestic water piping, unless such discharge or leakage is the direct result of a “Breakdown” to “Covered Equipment”. The most we will pay for such water damage is the Limit of Coverage stated in the Equipment Breakdown Protection Schedule for the Additional Coverage Extension of Water Damage.

11. With respect to Loss of “Business Income”, Loss of Rent, “Extra Expense”, and Off Premises Service Interruption-Time Element coverages, we will make no payment for any loss or damage caused by or resulting from:

- (1) Business or activities that would not or could not have been carried on if the “Breakdown” had not occurred; or
- (2) The failure to use due diligence and dispatch to operate, or to resume operation of, your business or activities on as nearly normal a basis as practicable at one or more of your “Locations”; or
- (3) The suspension, lapse, cancellation or non-renewal of a contract following a “Breakdown” to “Covered Equipment,” extending beyond the time business could have resumed if the contract had not lapsed, been suspended, cancelled or not renewed.

12. With respect to Utility Services-Spoilage and Off Premises Service Interruption-Time Element coverages, the following additional exclusions will apply:
 - (1) Acts of sabotage;
 - (2) Deliberate act(s) of load shedding by the supplying or distributing utility.

C. LIMITS OF COVERAGE

Under this Equipment Breakdown Protection Extension,

1. The most we will pay for all covered loss or damage arising from any “One Breakdown” is the amount stated as the Limit per ‘One Breakdown’ in the Equipment Breakdown Protection Schedule. This limit applies to all coverages under this Equipment Breakdown Protection Extension. The Limits of Coverage for all other coverages are part of and not in addition to the amount stated in the Limit per ‘One Breakdown’ Limit of Coverage.
2. The Limit of Coverage under each of the Coverage Extensions and Additional Coverage Extensions for loss or damage caused by or arising from any “One Breakdown” is the amount stated in the Equipment Breakdown Protection Schedule for the applicable Coverage Extension or Additional Coverage Extension. If two or more limits apply to the same portion of a covered loss or damage, the most we will pay is the smallest applicable Limit of Coverage. The Limits of Coverage for each of the Coverage Extensions and Additional Coverage Extensions are part of and not in addition to the amount stated in the Limit per ‘One Breakdown’ Limit of Coverage.
3. The most we will pay for physical loss or damage caused by a “Breakdown” to “Diagnostic Equipment” is \$250,000 for any single piece of equipment, unless another Limit is stated in the Equipment Breakdown Protection Schedule for “Diagnostic Equipment”. This limit is part of, and not in addition to, the Property Damage Limit of Coverage stated in the Equipment Breakdown Protection Schedule.

D. DEDUCTIBLES

Under this Equipment Breakdown Protection Extension only, the following shall apply:

1. APPLICATION OF DEDUCTIBLES

We will not pay for loss or damage caused by or resulting from any “One Breakdown” until the amount of covered loss or damage exceeds the applicable deductible stated in the Equipment Breakdown Protection Schedule. We will then pay the amount of covered loss or damage in excess of the deductible, up to the applicable Limit of Coverage.

Deductibles apply separately for each applicable coverage except if:

- a. A deductible is shown as Combined for any of the coverages in the Equipment Breakdown Protection Schedule, then we will first subtract the combined

deductible amount from the aggregate amount of any loss to which the combined deductible applies; or

- b. More than one “Covered Equipment” is involved in “One Breakdown”, then only one deductible, the highest, shall apply to each of the applicable coverages.

2. DETERMINATION OF DEDUCTIBLES

a. DOLLAR DEDUCTIBLE

If a dollar deductible is shown in the Equipment Breakdown Protection Schedule, we will first subtract the deductible amount from a covered loss we would otherwise pay.

b. MULTIPLE PER UNIT DEDUCTIBLE

If a multiple of units deductible is shown in the Equipment Breakdown Protection Schedule, the deductible will be calculated as the product of the multiplier times the number of units specified. (For example: if the deductible is specified as \$25/hp for air conditioning units, and a covered 500 hp air conditioning unit is damaged by a “Breakdown”, the deductible will be \$25 times 500 hp which equals \$12,500).

c. TIME DEDUCTIBLE

If a time deductible is shown in the Equipment Breakdown Protection Schedule, we will not pay for any loss or damage which occurs during the specified time period immediately following a “Breakdown”. If a time deductible is shown in days, each day shall mean twenty-four consecutive hours.

d. MULTIPLE OF DAILY VALUE DEDUCTIBLE

If a multiple of daily value deductible is shown in the Equipment Breakdown Protection Schedule, this deductible will be calculated as follows:

- (1) For the entire “Location” where the loss occurred, determine the total amount of “Business Income” that would have been earned during the “Period of Restoration” had no “Breakdown” taken place.
- (2) Divide the result in Paragraph (1) by the number of days the business would have been open during the “Period of Restoration”. The result is the daily value.
- (3) Multiply the daily value in Paragraph (2) by the number of daily value multiples shown in the Equipment Breakdown Protection Schedule. That product is the deductible. We will first subtract the deductible amount from any covered loss or damage we would otherwise pay. We will then pay the amount of covered loss or damage in excess of the deductible, up to the applicable Limit of Coverage.

e. **PERCENTAGE OF LOSS DEDUCTIBLE**

If a deductible is expressed as a percentage of loss in the Equipment Breakdown Protection Schedule, we will not pay the indicated percentage of the gross amount of covered loss or damage. (For example: if the indicated percentage is 15% and the gross amount of covered loss or damage is \$10,000, the deductible, the amount we will not pay, is \$1,500). We will pay the amount of covered loss or damage in excess of the deductible, up to the applicable Limit of Coverage.

f. **MINIMUM OR MAXIMUM DEDUCTIBLE**

(1) **MINIMUM DEDUCTIBLE**

If:

- (a) A minimum dollar amount deductible is shown in the Equipment Breakdown Protection Schedule, and
- (b) The dollar amount of the Multiple per Unit, Multiple of Daily Value, or the Percentage of Loss Deductible is less than the Minimum Deductible,

then the Minimum Deductible amount shown in the Equipment Breakdown Protection Schedule will be the applicable deductible.

(2) **MAXIMUM DEDUCTIBLE**

If:

- (a) a maximum dollar amount deductible is shown in the Equipment Breakdown Protection Schedule, and
- (b) the dollar amount of the Multiple per Unit, Multiple of Daily Value, or the Percentage of Loss Deductible is greater than the Maximum Deductible,

then the Maximum Deductible amount shown in the Equipment Breakdown Protection Schedule will be the applicable deductible.

E. CONDITIONS

Only for the coverage provided under this Equipment Breakdown Protection Extension, SECTION II – CONDITIONS, Paragraph A (Valuation) does not apply. SECTION I – TERMS AND CONDITIONS, Paragraph B (Inspections and Surveys) does not apply, but only to the extent that it is at variance with Paragraph E(1) of this Extension. The following conditions shall also apply:

1. **JURISDICTIONAL INSPECTION**

At your option, we will provide certificate-of-operation inspection services for boilers and other pressure vessels where:

- (1) You have notified us of “Covered Equipment” that is covered under this Extension and that requires a certificate-of-operation;
- (2) The certificate-of-operation is required by state, city or town law; and
- (3) The state, city or town law permits inspections by employees of insurance companies, public self-funded pools, or similar organizations.

Certificate-of-operation inspection services shall be provided only in the State of Maine as allowed by state, city or town law.

2. SUSPENSION

Whenever “Covered Equipment” is found to be in, or exposed to, a dangerous condition, we may immediately suspend the coverage provided by this Equipment Breakdown Protection Extension. We will deliver or mail a written notice of suspension to your last known address or the address where the item of “Covered Equipment” is located.

Once suspended in this way, coverage can be reinstated only by us agreeing to issue or provide a specific extension for that item of “Covered Equipment”.

If we suspend coverage for an item of “Covered Equipment” under this paragraph, you will receive a pro rata refund of contribution for that item of “Covered Equipment”. But the suspension will be effective as of the date of the written notice of suspension even if we have not yet made or offered a refund.

3. VALUATION (not applicable to “Rotating Biological Contactors”)

a. We will pay the amount you spend to repair or replace “Covered Property,” other than “Rotating Biological Contactors,” with other property of like kind, quality and capacity if such “Covered property” is directly and physically damaged by a “Breakdown” to “Covered Equipment”. Our payment will be the smallest of:

- (1) The cost to repair the damaged property; or
- (2) The cost to replace the damaged property; or
- (3) The amount you actually spend that is necessary to repair or replace the damaged property.

But we will not pay for such damaged property that, prior to the “Breakdown,” was obsolete or useless to you.

In no event will we pay any amount which exceeds the applicable Limit of Coverage.

b. New Generation

If “Covered Equipment” cannot be repaired or if the cost to repair is more than the cost to replace, and the damage to the “Covered Equipment” equals or exceeds 100% of the “Actual Cash Value” of the “Covered Equipment”, you may choose to apply the following provision.

New Generation Coverage – If you want to replace damaged “Covered Equipment” with a newer generation “Covered Equipment” of the same capacity, we will pay up to 25% more than “Covered Equipment” of like kind, quality and capacity would have cost at the time of the “Breakdown.”

In no event will we pay any amount which exceeds the applicable Limit of Coverage.

c. Except as stated in the preceding paragraph E.3.b., you must pay the extra cost of replacing damaged property with property of a better kind or quality or of a larger capacity.

d. Brands and Labels

(1) If branded or labeled merchandise that is “Covered Property” is damaged by a “Breakdown” to “Covered Equipment”, we may take all or any part of the property at an agreed or appraised value. If we take such property, you may:

(a) Stamp the word SALVAGE on the merchandise or its containers if the stamp will not physically damage the merchandise; or

(b) Remove the brands or labels if doing so will not physically damage the merchandise. You must re-label the merchandise or its containers to comply with any law.

(2) We will pay the reasonable cost you incur to perform the activities described in paragraphs E.3.d.(1) (a) and (b) above.

However, if costs identified in paragraph E.3.d.(1)(a) and (b) above are incurred as a result of damage covered under the Pollutant Debris Removal and Cost of Clean Up, Refrigerant Contamination or Water Damage Additional Coverage Extensions, such costs will be a part of, and not in addition to, the respective limits of coverage stated in the Equipment Breakdown Protection Schedule for those Additional Coverage Extensions.

e. Spoilage Damage

We will determine the value of “Covered Property” under the Spoilage Damage Additional Coverage Extension as follows:

- (1) For raw materials, the replacement cost;
- (2) For goods in process, the replacement cost of the raw materials, the labor expended and the proper proportion of overhead charges; and
- (3) For finished goods, the selling price, as if no loss or damage had occurred, less any discounts you offered and expenses you otherwise would have had.

f. Selling Price

Selling price valuation as otherwise provided in this Certificate shall apply, except as specified in E.3.e. above.

g. Warranty and Service Contract

If any damaged “Covered Property”, that is intended for your use, is protected by an extended warranty, or maintenance or service contract, and that warranty or contract becomes void or unusable due to a “Breakdown” to “Covered Equipment”, we will reimburse you for the prorated amount of the unused costs of non-refundable, non-transferable warranties or contracts.

h. Except as specifically provided under the “Green” Alternatives Additional Coverage Extension, the cost to repair, rebuild or replace “Covered Property” does not include any increased cost incurred to re-attain a pre-loss level of “Green” certification from a “Green Authority”.

i. Pairs, Sets or Parts

- (1) Pairs or Sets. In case of “Breakdown” to “Covered Equipment” which causes loss or damage to any part of a pair or set we may:
 - (a) Repair or replace any part to restore the pair or set to its value before the “Breakdown”; or
 - (b) Pay the difference between the value of the pair or set before and after the “Breakdown”.
- (2) Parts. In case of “Breakdown” to “Covered Equipment” which causes loss or damage to any part of “Covered Property” consisting of several parts when complete, we will only pay for the value, as determined elsewhere in this paragraph E(3), of the lost or damaged part.

4. VALUATION (applicable solely to “Rotating Biological Contactors”)

- a. We will pay for damage or loss of a “Rotating Biological Contactor” if such “Rotating Biological Contactor” is directly and physically damaged by a “Breakdown” to “Covered Equipment.” If the damage can be restored by the replacement of any part or parts, we will pay the lesser of:
 - (1) The reasonable cost of the replacement of any part or parts; or
 - (2) The value of the damaged property.
- b. The value of the “Rotating Biological Contactor” will be determined as of the time of the “Breakdown.”
- c. The value of the “Rotating Biological Contactor” will be determined as its replacement cost less depreciation. Depreciation will be calculated at the rate of 5% per year, subject to a maximum of 75%, since the most recent of:
 - (1) The date the “Rotating Biological Contactor” was manufactured; or
 - (2) The date the “Rotating Biological Contactor” was 100% completely rewound, refurbished and/or rebuilt.
- d. We will not pay for the extra cost of replacing a damaged “Rotating Biological Contactor” with a “Rotating Biological Contactor” of a better kind or quality or of a larger capacity. You must pay that extra cost.
- e. We will not pay for a “Rotating Biological Contactor” which, prior to the “Breakdown,” was obsolete or useless to you.
- f. In no event will we pay any amount which exceeds the applicable Limit of Coverage.
- g. In case of “Breakdown” to “Covered Equipment” which causes loss or damage to any part of a “Rotating Biological Contactor” consisting of several parts when complete, we will only pay for the value, as determined elsewhere in this Paragraph E. 4, of the lost or damaged part.

5. REDUCING YOUR LOSS

As soon as possible after a “Breakdown” to “Covered Equipment,” you must:

- (1) Resume business or usual “operations”, partially or completely;
- (2) Make up for lost business or usual “operations” within a reasonable period of time. This reasonable period does not necessarily end when business or usual “operations” are resumed; and

- (3) Make use of every reasonable means to reduce or avert loss including:
 - (a) Working extra time or overtime at the “Location” or at another location you own or acquire to carry on the same business or “operations”;
 - (b) Utilizing the property or services of other concerns;
 - (c) Using merchandise or other property, such as surplus machinery, duplicate parts, equipment, supplies and surplus or reserve stock you own, control or can obtain; and
 - (d) Salvaging the damaged “Covered Property.”

6. LOSS PAYMENT

- (1) In the event of physical loss or damage to “Covered Property” caused by or resulting from a “Breakdown” to “Covered Equipment”, we will, at our option and subject to Paragraphs E. 3 and E. 4 above, either:
 - (a) Pay the value of lost or damaged “Covered Property”;
 - (b) Pay the cost of repairing or replacing the lost or damaged “Covered Property”;
 - (c) Take all or any part of the loss or damaged “Covered Property” at an agreed or appraised value; or
 - (d) Repair, rebuild or replace the lost or damaged “Covered Property” with other property of like kind and quality.
