Candidate Profile:

Sandra Fournier has served as manager of the Towns of Castle Hill, Chapman and Mapleton for the past four years. Prior to that, she served as town manager in Eagle Lake from 2014-2018, Deputy County Administrator from 2018-2020 and administrative assistant in the City of Presque Isle from 2010-2014. She has served on the LPC since 2020 and would like to continue to serve because in representing her district she finds that having first-hand knowledge of bills printed by the Legislature helps her stay on top of the ever-changing world of local government. Sandra also served on the Nominating Committee for MMA's Executive Committee.

Suzie Paradis has served as manager of the Town of Fort Kent for six years. She has a total of 27 years of municipal experience having worked in the Economic and Community Development field for 14 years prior to becoming a town manager. Suzie served on the LPC this past term and would like the opportunity to serve again to both share valuable insight on municipally related legislation and to gain insight into policies that will affect municipal government. She has also served on the executive board of the Maine Town, City and County Managers' Association.

Richard Lyons has served on the Portage Lake selectboard for the past three months. He will be serving as superintendent of RSU 89 starting on July 1 and would like to serve on the LPC because he thinks it would be beneficial to both positions, as well as informing the LPC of his unique perspective on bills affecting both municipalities and school administration.
