Since only a few bills of municipal interest have been printed since January, MMA’s advocacy staff have decided that a remote LPC meeting is the best use of our resources. However, it is expected that additional bills will be printed throughout the week, including the much-anticipated FY 2024-FY 2025 General Fund supplemental budget, which may impact municipal operations. To that end, please keep an eye out for emails from Laura Ellis containing supplemental materials.

I look forward to seeing you remotely on Thursday. If you have questions about the meeting or materials, please do not hesitate to contact Kate Dufour at kdufour@memun.org or Laura Ellis at lellis@memun.org.
