

DEPARTMENT OF ADMINISTRATIVE AND FINANCIAL SERVICES
DIVISION OF CENTRAL SERVICES
STATE OF MAINE

September 2024

TO: Towns and Municipalities in Maine
FROM: Maine State Agency for Surplus Property
SUBJECT: Surplus Property Available for Towns/Municipalities

DID YOU KNOW?

Maine Surplus Property, part of the Division of Central Services, provides an opportunity for towns and municipalities in Maine to acquire surplus items that are no longer needed by state departments **at a significantly reduced cost.**

Examples of Maine Surplus Property include:

- | | |
|--|-------------------------|
| ✓ Computers, monitors, printers | ✓ Vehicles, ATVs, boats |
| ✓ Tables, desks, chairs, filing cabinets | ✓ Snow plows, tractors |
| ✓ Office supplies, white boards | ✓ Other heavy equipment |

If your town/municipality is already an approved donee, check out the items that are currently available for sale (pictured on the pages that follow).

If your town/municipality is not yet an approved donee, submit a donee application today! You can [download the application](#), or complete the copy attached with this notice. (NOTE: You can include your town's public safety and fire departments in the application. These areas may have a particular interest in Maine Surplus Property.) After your application is approved, you can purchase any available surplus items up to 30 days before they are offered to the public.

Approved donees can also acquire federal surplus property available from the U.S. General Services Administration (GSA). Please visit the [Donee Guidance page](#) on our website to learn more.

ADDITIONAL NOTES:

- New items are added to the surplus inventory every day. Donees can view and purchase surplus items—**except** vehicles and heavy equipment—that are stored in our warehouse (see address below) Monday through Friday between 8:00am – 3:30pm.
- Donees can view our inventory of vehicles, trailers, boats, and larger items on this [webpage](#); or in person beginning at 1:00pm on the third Thursday of each month (called Donee Viewing Day). These items go on sale for donees at 2:00pm on Donee Viewing Day. After this, all items are made available to the public on [GovPlanet](#).

- Maine Surplus Property has a public sale on the second Friday of every month. **The warehouse has the most items available to donees Monday through Thursday on the week of the public sale and will have fewer items directly after the sale on Friday morning.**

Please contact us with any questions or requests:

MAINE SURPLUS PROPERTY
85 Leighton Road
Augusta, ME 04333
