## **Candidate Profile:**

Richard LaBelle has served as town manager in Norridgewock for the past eight years. Prior to that, he served as a member of the selectboard in the Town of Rome for five years, as well as on the budget committee for five years, and on the Comprehensive Plan committee. He also served as co-chair of the RSU 18 facilities committee and on the KVCOG board of directors as president from 2019-2021. Richard has served on the LPC since 2022 and would like to continue his service because his top priorities are protecting home rule authority and preventing unfunded mandates. He feels that he can't overstate the importance of smaller and rural communities being represented with a focus on issues that affect them, and not the big city issues, such as welfare.
