Candidate Profile:

Rick Bronson has served municipal government in several capacities over the years, most recently as manager in the Town of Lincoln for the last six years. Prior to that he served as manager in Baileyville for 5 years, was a Bangor City Councilor for 3 years and he served as Brewer Fire Chief for 11 years. Rick has served on the LPC since 2018 and as an alternate for the previous term. He would like to continue his service on the committee because he feels that the Legislature is eroding local control and instead, controls towns.

Daniel Demeritt has served on the Orono Town Council for the past year and a half. He would like to serve on the LPC because he is primarily concerned with how polarization and disengagement is becoming a barrier to citizen participation.
