Cell Phone Usage

We all use cell phones as part of our everyday lives it seems. However, when they become a distraction sometimes that can be detrimental. If you must bring your cell phone to MMTCTA conferences or seminars as a requirement of your employment, please place them on vibrate or silence and only take calls or texts when you are out of the room. If you bring them to keep in touch with family or for other personal reasons, please turn them off while in class and only access them during breaks or lunch.

Thank you for your consideration.
