

# NEW LAWS 130th Legislature

**Effective dates.** Emergency legislation became effective on the date it was signed by the Governor unless otherwise noted. If the new law was an emergency measure, it is so-noted before the Public Law (PL) citation. Non-emergency legislation becomes effective 90 days after adjournment of the legislative session in which it was enacted. The effective date of non-emergency legislation enacted in the Legislature's First Regular Session is June 29, 2021, which has been noted after the citation. The effective date for bills passed in the First Special Session, unless otherwise noted, will be October 18, 2021.

**Mandate preamble.** Legislation enacted with a "mandate preamble" contains the following language: "*This measure requires one or more local units of government to expand or modify activities so as to necessitate additional expenditures from local revenues but does not provide funding for at least 90% of those expenditures. Pursuant to the Constitution of Maine, Article IX, Section 21, two-thirds of all the members elected to each House have determined it necessary to enact this measure.*" If the new law was enacted with a mandate preamble, it is so-noted along with the Public Law citation.

## Agriculture, Conservation & Forestry Committee

LD 34: An Act To Create the Maine Forestry Operations Cleanup and Response Fund. (Sponsored by Sen. Dill of Penobscot Cty.) **PL 2021, c. 63**

This Act establishes the Maine Forestry Operations Cleanup and Response Fund for the Department of Agriculture, Conservation and Forestry, Bureau of Forestry for the purpose of mitigating and remediating water quality violations that result from timber harvesting activities and require immediate action to prevent or minimize further damage to waters of this state. The fund is replenished with financial penalties, permit fees and other charges associated with timber harvesting, up to a limit of \$20,000. The Act allows the bureau to recover costs incurred through the use of this fund and to place a lien on a property when the responsible party is unwilling or unable to repay such costs.

LD 36: An Act To Amend the Definition of "Timber Harvesting." (Sponsored by Sen. Dill of Penobscot Cty.) **Emergency Enacted; PL 2021, c. 30 (4/7/21)**

This Act clarifies the definition of "timber harvesting" to mean any cutting or removal of trees or forest products that when cut or removed are transported to a roundwood processing operation, excluding reclaiming trees, logs or bark from timber harvesting or other operations.

LD 63: An Act Regarding the Northeastern Interstate Forest Fire Protection Compact. (Sponsored by Rep. Pluecker of Warren) **Emergency Enacted; P & SL 2021, c. 6 (6/11/21)**

Currently, all the New England states, New York and the Canadian provinces of Quebec, Newfoundland and Labrador and the Maritimes make up the Northeastern Interstate Forest Fire Protection Compact. This Act extends liability protection for the state and firefighters who travel to fight wildfires or other emergencies outside of the compact area.

LD 65: An Act To Invest in the Stewardship and Management of Properties Acquired with the Proceeds from the Land for Maine's Future Fund or the Public Access to Maine Waters Fund. (Sponsored by Rep. O'Neil of Saco) **PL 2021, c. 33**

This Act allows a small portion of the Land for Maine's Future (LMF) program bond to be used to fund minor capital investments

in the stewardship and management of properties acquired with revenue from the LMF fund or the Public Access to Maine Waters Fund, to ensure that these properties are maintained in perpetuity for the purposes for which the properties are conserved.

LD 95: Resolution, Proposing an Amendment to the Constitution of Maine To Establish a Right to Food. (Sponsored by Rep. Faulkingham of Winter Harbor) **Constitutional Resolution 2021, c. 1**

This Resolution, pursuant to voter approval at the Nov. 2, 2021 election (Question #3), would amend Maine's Constitution to provide all individuals with a natural, inherent and unalienable right to food, including the right to save, exchange seeds, grow, raise, harvest, produce and consume the food of their own choosing for their own nourishment, sustenance, bodily health and well-being.

LD 103: An Act To Improve the Animal Welfare Laws. (Sponsored by Rep. Pluecker of Warren on behalf of the Department of Agriculture, Conservation & Forestry) **PL 2021, c. 99**

Of municipal interest, this Act: (1) changes the rabies vaccination requirement to provide that an owner or keeper of a dog must have the dog vaccinated within 30 days of attaining the age of three months; (2) provides that an owner or keeper of a dog is exempt from the rabies vaccination requirement if a medical reason exists that precludes the vaccination of the dog; (3) adds dangerous and nuisance dogs to those animals that are excluded from obtaining dog licenses through the internet licensing project; and (4) provides for the revocation of an animal control officer's certification for refusing to perform statutory duties. The Act also: (1) amends the laws pertaining to agriculture and animals to allow the Commissioner of Agriculture, Conservation and Forestry to employ any person considered necessary to assist in any response to a natural or man-made disaster affecting animals both in the state and outside the state and provides for such a person's compensation; (2) allows the Animal Welfare Advisory Council to have as a member a person who is a pet food supplier and an attorney with prosecutorial experience in the state court system; and (3) amends animal welfare laws to define "animal care facility" and to provide that the definition of "boarding kennel" applies to all privately owned animals that are kept for a fee.

LD 155: Resolve, Directing the Board of Pesticides Control To Prohibit the Use of Certain Neonicotinoids for Outdoor Residential Use. (Sponsored by Rep. Grohoski of Ellsworth) **Resolves 2021, c. 33**

This Resolve directs the Department of Agriculture, Conservation and Forestry, Board of Pesticides Control to prohibit the use of any product containing certain neonicotinoids used for application in outdoor residential landscapes such as on lawn, turf or ornamental vegetation, except for products used for controlling or treating insects around structural foundations and other parts of structures. The Resolve also requires the board to allow the use of certain neonicotinoids by certified applicators on ornamental vegetation to manage emerging invasive insect pests in order to safeguard the public health, safety, welfare and natural resources of Maine.

LD 264: Resolve, Directing the Board of Pesticides Control To Gather Information Relating to Perfluoroalkyl and Polyfluoroalkyl Substances in the State. (Sponsored by Rep. Pluecker of Warren) **Resolves 2021, c. 83**

This Resolve directs the Department of Agriculture, Conservation and Forestry, Board of Pesticides Control to amend its rules governing the registration of pesticides in Maine to require manufacturers and distributors to provide affidavits stating whether the

registered pesticide has ever been stored, distributed or packaged in a fluorinated high-density polyethylene container and to require manufacturers to provide an affidavit stating whether a PFAS is in the formulation of the registered pesticide. The board is also directed to conduct a study to determine if fluorinated adjuvants are being used or sold in the state and explore what is necessary to both regulate fluorinated adjuvants and impose a prohibition on the distribution or application of pesticides or adjuvants containing PFAS in the state. By Jan. 15, 2022, the board must submit a report, including recommendations, to the Committee on Agriculture, Conservation and Forestry, which is authorized to submit related legislation for consideration in 2022.

**LD 268: An Act To Eliminate Online Burn Permit Fees for All Areas of the State.** (Sponsored by Sen. Dill of Penobscot Cty.) **PL 2021, c. 414**

Currently, burn permits can be obtained via the state's online platform for a \$7 fee, of which \$2 is transferred to the municipality where the permit is issued. This Act repeals the fee and the provision in law prohibiting a vendor or owner of a burn permit software system from charging a municipality for use of the software.

**LD 519: An Act To Protect Children from Exposure to Toxic Chemicals.** (Sponsored by Rep. Gramlich of Old Orchard Beach) **PL 2021, c. 197**

This Act bans the use of glyphosate and dicamba within 75 feet of school grounds, except that the prohibition does not apply to agricultural land or residential property located within 75 feet of the school grounds. The Act also directs the Agriculture, Conservation and Forestry, Board of Pesticides Control to establish a medical advisory committee to evaluate the human health impact of herbicides used on school grounds. No later than Feb. 1, 2022, the board is required to submit a report to the Committee on Agriculture, Conservation and Forestry, which is authorized to submit related legislation for consideration in 2022.

This Resolve directs the Department of Education to convene a committee to advise the department on the development of a plan to: (1) provide early intervention services for children from birth to under three years of age through a quasi-independent government agency structure; (2) pursue the federal Individuals with Disabilities Education Act Extended Part C Option; and (3) provide services to children three years of age. The Resolve directs the department to submit a report to the committees on Education and Cultural Affairs and Health and Human Services no later than Feb. 1, 2022 and authorizes the Education and Cultural Affairs Committee to submit related legislation for consideration in 2022.

LD 386: Resolve, Directing the Department of Education To Establish the Process for Transitioning the Provision of Early Childhood Special Education Services for Children with Disabilities from 4 Years of Age to under 6 Years of Age from the Regional Child Development Services System to School Administrative Units. (Sponsored by Rep. Brennan of Portland) **Resolves 2021, c. 106**

This Resolve directs the Department of Education to establish a process, timeline and implementation plan for transitioning the provision of early childhood special education services for children with disabilities from four years of age to under six years of age from the regional Child Development Services System to school administrative units. It requires the establishment of a committee to advise the department and directs the department to report findings and recommendations to the Committee on Education and Cultural Affairs no later than Feb. 1, 2022, which is authorized to submit related legislation for consideration in 2022.

LD 705: Resolve, To Improve Air Quality and Ventilation in Maine's Public Schools. (Sponsored by Rep. Millett of Cape Elizabeth) **Resolves 2021, c. 114**

This Resolve directs the Department of Education to amend its Chapters 60, 61 and 125 rules to require standards governing air quality and ventilation for all schools, including schools with mechanical and non-mechanical ventilation systems, and to be in effect no earlier than July 1, 2022 and no later than July 1, 2026.

**LD 816: An Act To Improve Communication between School Board Members and School Employees and Members of the Public.** (Sponsored by Sen. Rafferty of York Cty.) **PL 2021, c. 281**

This Act requires a school board to regularly communicate with school employees in the school board's school administrative unit (SAU) and members of the public who reside within the boundaries of the SAU.

**LD 1188: An Act To Include Career and Technical Education Teachers in the Minimum \$40,000 Salary Initiative.** (Sponsored by Rep. Millett of Cape Elizabeth) **Emergency Enacted; PL 2021, c. 441 (7/09/21)**

This Act amends the \$40,000 teacher salary initiative to include career and technical education teachers. By Dec. 1, 2021, the Act also directs the Department of Education to report to the Committee on Education and Cultural Affairs on the status and progress being made toward the minimum teacher salary initiative, as well as the verification that all intended positions are included in the salary initiative. If the department identifies any areas of deficiency, a plan for remediation must be included in the report to the committee, which is authorized to submit related legislation for consideration in 2022.

**LD 1198: An Act Authorizing an Increase to the Maximum Annual Fund Balance for Public School Districts.** (Sponsored by Rep. Carlow of Buxton) **PL 2021, c. 213**

This Act allows school boards to carry forward 5% of the previous year's school budget without reduction of the state and local share of the total allocation for the purpose of computing state subsidy, to carry forward unallocated balances in excess of 5% of the previous year's school budget and disburse those funds in the next

year or over a period not to exceed three years. The carry-forward limit is established at 9% for fiscal years 2022 through 2025.

### **Energy, Utilities & Technology**

**LD 143: An Act To Make the Arrearage Management Program Permanent.** (Sponsored by Rep. Kessler of South Portland) **PL 2021, c. 101**

This Act extends to Sept. 30, 2024 the repeal date for the arrearage management programs implemented by electricity utility providers to assist eligible low-income resident customers who are in debt. The Act also directs the Public Utilities Commission to consider proven, global best practices to assist low-income ratepayers, including, but not limited to, the use of lower tier rates for customers based on income. No later than Jan. 15, 2022, the commission must submit a report to the Committee on Energy, Utilities and Technology, which is authorized to submit related legislation for consideration in 2023.

**LD 256: An Act To Adjust Sewer and Wastewater Lien Fees.** (Sponsored by Rep. Doudera of Camden) **PL 2021, c. 70**

This Act increases from \$13 to \$25 the flat fee paid by a delinquent sewer or wastewater ratepayer and requires the rate to be adjusted annually for inflation based on the Consumer Price Index.

**LD 336: An Act To Encourage Research To Support the Maine Offshore Wind Industry.** (Sponsored by Sen. Lawrence of York Cty.) **PL 2021, c. 327**

This Act directs the Public Utilities Commission to negotiate a long-term contract for the design, permitting, construction and operation of the state's proposed floating offshore wind research array between the developer of the research array and an investor-owned transmission and distribution utility.

Sanborn of Cumberland Cty.) **PL 2021, c. 142**

This Act authorizes municipalities to adopt commercial property assessed clean energy (PACE) ordinances to help finance up to 100% of energy savings improvements to qualifying commercial properties, to be administered either by the municipality or the Efficiency Maine Trust. The Act provides that the written consent of a financial institution holding a lien, mortgage or security interest in or other collateral encumbrance on a property for which a commercial PACE assessment is sought and filed with the registry of deeds, must also include a written acknowledgement and understanding by the financial institution regarding the priority status provided to commercial PACE liens, the sale or foreclosure process applicable to commercial PACE liens and the financial institution's voluntary consent to the enrollment of the subject property in the commercial PACE program. The Act also specifies that, in the event a commercial PACE assessment is delinquent but the borrower or property owner is otherwise current on payment of all municipal taxes due to the municipality offering the commercial PACE program the property is enrolled in, then a commercial PACE lienholder must accept from the municipality an assignment of the commercial PACE lien. Following that assignment, the commercial PACE lienholder has and possesses all the same powers and rights in law as the municipality and its tax collector with regards to the commercial PACE lien, including the right to enforce the lien through foreclosure.

**LD 597: An Act To Establish the Thermal Energy Investment Program.** (Sponsored by Sen. Jackson of Aroostook Cty.) **PL 2021, c. 199**

This Act establishes the Thermal Energy Investment Program within the Efficiency Maine Trust to provide incentives and low or no-interest loans to businesses, municipalities, educational institutions and nonprofit entities for the installation of new thermal energy-derived projects in an effort to strengthen Maine's forest products industry and lower energy costs.

**LD 815: An Act To Support School Decarbonization.** (Sponsored by Sen. Maxmin of Lincoln Cty.) **PL 2021, c. 152**

Current law requires the Efficiency Maine Trust to develop and administer a school energy savings program. This Act changes the program to a school decarbonization program and requires the trust to provide technical and financial support to help kindergarten to grade 12 schools become carbon neutral. The Act also repeals the school solar energy program administered by the trust.

**LD 936: An Act To Amend State Laws Relating to Net Energy Billing and the Procurement of Distributed Generation.** (Sponsored by Rep. Berry of Bowdoinham) **PL 2021, c. 390**

This Act specifies the requirements that must be met for a distributed generation resource with a nameplate capacity between three and five megawatts to be able to participate in Maine's net energy billing process. The Act also directs the Governor's Energy Office in coordination with the Public Utilities Commission to convene a stakeholder group to consider various distributed generation project programs to be implemented between 2024 and 2028 and the need for improved grid planning. It defines, for the purposes of this stakeholder process, "distributed generation project" as a renewable energy project with a nameplate capacity of no more than 5 megawatts that has identified residential, commercial and institutional customers, including but not limited to net energy billing arrangement projects. The Committee on Energy, Utilities and Technology is authorized to submit legislation on the basis of the interim report for consideration in 2022 and in 2023 on basis of the final report.

**LD 1008: An Act To Require Joint Use Entities To Establish Permanent Liaisons with All County Emergency Management Agencies.** (Sponsored by Rep. Tepler of Topsham) **PL 2021, c. 154**

This Act requires a joint use entity, which includes a public utility, voice service provider, dark fiber provider, wholesale or retail competitive local exchange carrier, cable television system, unlit

fiber provider, telecommunications service provider or information service provider, to designate a permanent liaison with each county emergency management agency in the state in counties in which the joint use entity has facilities in order to assist in the coordination of efforts during a disaster or civil emergency. The Act also provides that a joint use entity is responsible for ensuring that such a designated permanent liaison responds immediately to any contact or request for assistance during a disaster or civil emergency from the county emergency management agency to which the liaison is designated. It further provides that a county emergency management agency that receives a communication from a joint use entity designating a permanent liaison must communicate to that entity the contact information for the employee or employees of the county emergency management agency responsible for coordinating the actions of the county during a disaster or civil emergency.

**LD 1306: Resolve, To Facilitate the Inclusion of Crisis Response Services in Emergency Services Offered through the E-9-1-1 System.** (Sponsored by Rep. Morales of South Portland) **Resolves 2021, c. 29**

This Resolve directs the Public Utilities Commission, Emergency Services Communications Bureau to research and review protocols and procedures necessary to ensure the delivery of crisis response services under the state's E-9-1-1 system and to submit a report on or before Feb. 1, 2022 to the Committee on Energy, Utilities and Technology outlining necessary protocols and procedures, including any recommendations needed to implement those protocols and procedures. The committee is authorized to submit related legislation for consideration in 2022.

**LD 1432: An Act To Update the Municipal Gigabit Broadband Network Access Fund.** (Sponsored by Rep. Berry of Bowdoinham) **PL 2021, c. 362**

This Act amends the Municipal Gigabit Broadband Network Access Fund, which is a fund administered by the ConnectMaine Authority to address the need in Maine to access ultra-high-speed broadband infrastructure to: (1) limit the grants to a municipality or group of municipalities; (2) remove the cap on the amount of the grant, but limit the amount of ConnectMaine funds that may be used to 50% of the total cost of a project; and (3) maintain the requirement that a municipality provide at least a 25% cash match, but provide that the cash match may not consist of funds from a source other than the municipality.

**LD 1484: An Act To Establish the Maine Connectivity Authority.** (Sponsored by Sen. Bennett of Oxford Cty.) **Emergency Enacted; PL 2021, c. 364 (6/24/21)**

This Act establishes the Connectivity Infrastructure Act, which sets forth broadband connectivity goals and establishes the Maine Connectivity Authority (MCA) to further those goals through the development and financing of connectivity projects. The activities of the authority are governed by seven voting members, one of whom represents Maine communities, and four ex officio voting members. The Act also directs the MCA, in consultation with the ConnectMaine Authority, to review the provisions of the Maine statutes pertaining to each entity and develop recommendations for any necessary changes to those provisions to facilitate the oversight of the ConnectMaine Authority by the MCA and any other recommendations. The MCA is further directed to submit recommendations, including any proposed legislation, to the Committee on Energy, Utilities and Technology on or before Jan. 15, 2022, which is authorized to submit related legislation for consideration in 2022.

**LD 1619: An Act To Prohibit Offshore Wind Power Development in Territorial Waters and Submerged Lands of the State.** (Governor's Bill) (Sponsored by Sen. Lawrence of York Cty.) **Emergency Enacted; PL 2021, c. 407 (7/06/21)**

With some exceptions, this Act prohibits the development of offshore wind power projects in state-owned submerged lands or territorial waters. One of the exceptions in the Act provides that the

licensing, permitting or approval by a state agency, municipality or other political subdivision of the state of the siting, construction or operation of or the issuance of a lease or the grant of an easement or other real property interest for utility cables or transmission lines that are intended to support the generation of wind energy located seaward of territorial waters is prohibited unless, by March 1, 2023, the Governor's Energy Office has: (1) developed a strategic plan to inform the development of offshore wind power projects; (2) reviewed the ability of state laws and rules to protect Maine's coastal resources from the development of offshore wind energy generation located seaward of the territorial waters; and (3) with input of the advisory board of the Offshore Wind Research Consortium, which is established by this legislation to coordinate, support and arrange for the conduct of research on offshore wind power projects in the Gulf of Maine, has identified the preliminary research questions the consortium seeks to answer regarding the development of offshore wind power projects. The Act also requires the office to submit a report notifying the Committee on Energy, Utility and Technology of the completion of these requirements. Lastly, the Act directs the Department of Agriculture, Conservation and Forestry, the Public Utilities Commission and the Department of Environmental Protection each to submit by Feb. 1, 2022 legislation necessary to align those provisions of law under their respective jurisdictions with the prohibition on offshore wind power projects.

**LD 1659: An Act To Create the Maine Clean Energy and Sustainability Accelerator.** (Sponsored by Rep. Zeigler of Montville) **PL 2021, c. 358**

This Act creates the Maine Clean Energy and Sustainability Accelerator, administered by the Efficiency Maine Trust, to support the development of clean energy and sustainability projects and infrastructure through providing financing support, including loans, loan guarantees and other financial and risk mitigation products.

**LD 1710: An Act To Require Prompt and Effective Use of Renewable Energy Resources of Northern Maine.** (Sponsored by Sen. Jackson of Aroostook Cty.) **PL 2021, c. 380**

This Act establishes the Northern Maine Renewable Energy Development Program to remove obstacles to the use of and to promote development of the substantial renewable energy resources in northern Maine. The Maine Public Utilities Commission is directed to seek a request for proposals for the development and construction of a 345-kilovolt double circuit generation connection line, or, in the commission's discretion, a transmission line or lines of greater capacity, to connect renewable energy resources located in northern Maine and developed with the electric grid operated by the New England independent system operator. The Act also authorizes the commission to approve and order contracts for the purchase, beginning on or after Jan. 1, 2024, of capacity, renewable energy or renewable energy credits, or any combination thereof, in an amount that is between 18% and 22% of the retail electric load in the state for the calendar year 2019.

**LD 1731: An Act to Create the Belgrade Water District.** (Governor's Bill) (Sponsored by Rep. Newman of Belgrade) **Emergency Enacted; P & SL 2021, c. 11 (6/21/21)**

If approved by the municipality's voters, this Act establishes the Belgrade Water District as a standard water district and directs the Department of Transportation to pay upfront costs to have the distribution system designed, installed and connected to the currently affected properties. Once construction is complete, the distribution system will be transferred to the municipality, and the municipality, through its established water district, will then be responsible for operation and maintenance of the system going forward.

## **Environment & Natural Resources**

**LD 8: An Act To Support Collection and Proper Disposal of Unwanted Drugs.** (Sponsored by Sen. Carney of Cumberland Cty.) **PL 2021, c. 94**

This Act requires certain drug manufactures to implement drug take-back stewardship programs for the purpose of collecting and disposing of certain medications. Of municipal interest, the Act explicitly authorizes law enforcement agencies to participate as collectors in a take-back stewardship program.

**LD 57: An Act To Reduce the Landfilling of Municipal Solid Waste.** (Sponsored by Rep. Tucker of Brunswick) **PL 2021, c. 230**

This Act repeals the existing \$2 per ton municipal solid waste surcharge in the laws governing solid waste management, as well as the exemption that exists for the solid waste generated by the municipality that owns the landfill or a community that has contracted with a nine month or longer term for the disposal of waste in the landfill facility. In its place, the Act imposes a \$1 per ton disposal fee on all municipal solid waste. The Act also authorizes the Department of Environmental Protection to adopt major substantive rules imposing per ton fees on any municipal solid waste disposed or received for processing at a commercial, municipal, regional association or state-owned solid waste disposal facility, solid waste processing facility, incineration facility or solid waste landfill.

**LD 67: An Act To Assist in the Restoration of Atlantic Salmon.** (Sponsored by Rep. Martin of Sinclair) **PL 2021, c. 50**

This Act eliminates restrictions for the total number of discharge licenses allowed to be issued for Class AA and Class A waters.

**LD 69: An Act To Reduce Duplicative Permitting Review for Projects under the Site Location of Development Laws.** (Sponsored by Rep. Tucker of Brunswick) **PL 2021, c. 51**

Under current site location development laws, a structure that is from 3 acres to 7 acres is exempt from review, provided that certain criteria are met. This Act increases the upper limit to 10 acres.

**LD 163: An Act Concerning the Regulation of Air Emissions at Petroleum Storage Facilities.** (Sponsored by Rep. Tucker of Brunswick) **PL 2021, c. 294**

This Act amends the laws regulating air emissions to require the adoption by rule of certain requirements and prohibitions applicable to the licensure or operation of petroleum storage facilities with aboveground petroleum storage tanks and bulk gasoline terminals. It requires the Department of Environmental Protection, on or before Dec. 31, 2021, to initiate major substantive rulemaking to amend its air emissions rules to be consistent with the changes to related laws and no later than March 1, 2022, submit a report to the Committee on Environment and Natural Resources containing findings and any recommendations, including proposed legislation.

**LD 722: Resolve, To Study the Establishment of the Maine Climate Corps.** (Sponsored by Rep. Reilly of Westbrook) **Resolves 2021, c. 25**

This Resolve directs the Maine Commission for Community Service to study and identify short-term projects and tasks in state agencies that could be made into service projects for all Maine residents, in part, to provide the basis for establishment of the Maine Climate Corps as proposed in the Maine Climate Council's climate action plan. The Resolve also directs the commission to identify potential hosts for the corps and possible public and private partnerships and report its findings to the Environment and Natural Resources Committee by Jan. 31, 2022.

**LD 771: An Act To Amend the Laws Governing Wastewater Treatment Plant Operator Certification.** (Sponsored by Rep. Martin of Eagle Lake) **PL 2021, c. 173**

This Act modifies the laws governing the wastewater treatment plant operator certification program administered by the Department of Environmental Protection. It changes the procedure for

revocation of a wastewater treatment plant operator certification, provides authority for suspension of a wastewater treatment plant operator certification, clarifies how the department may administer the program, updates outdated terminology and eliminates outdated provisions. The Act also clarifies the department's existing authority with respect to licenses and wastewater treatment plant operator certificates.

**LD 780: An Act Regarding Uncontrolled Hazardous Substance Sites.** (Sponsored by Rep. Fay of Raymond) **PL 2021, c. 117**

This Act amends the state's uncontrolled hazardous substance sites law by providing a limited exemption from liability for publicly owned treatment works and public water systems based on the contribution of effluent or sewage sludge or water treatment residuals to an uncontrolled site. Exemptions from limited liability protections include: (1) failure to follow all applicable requirements under state statute; (2) failure to comply with an information request or administrative subpoena; or (3) impediment of the performance of a response action or natural resource restoration at the uncontrolled site. The Act also requires that, on or before Jan. 15, 2023, the Department of Environmental Protection report to the Committee on Environment and Natural Resources the uncontrolled hazardous substance sites where the department has used its authority to require responsible parties to investigate or remove hazardous substances that are pollutants or contaminants and, for each site, information identifying the substance involved.

**LD 802: An Act To Ensure Decommissioning of Solar Energy Developments.** (Sponsored by Sen. Black of Franklin Cty.) **PL 2021, c. 151**

This Act requires a person to obtain approval of a decommissioning plan from the Department of Environmental Protection or from the Maine Land Use Planning Commission in the case of a solar energy development located in the unorganized and

deorganized areas before constructing or operating a solar energy development with ground-mounted solar panels occupying three or more acres.

**LD 946: Resolve, Regarding the Shore Damage Mitigation Project in Saco Bay.** (Sponsored by Rep. Copeland of Saco) **Resolves 2021, c. 85**

This Resolve directs the governor to take all actions necessary to assist and support the City of Saco in its role as the non-federal sponsor with the United States Army Corps of Engineers for the shore damage mitigation project for the Saco River and Camp Ellis Beach, which may include directing relevant state agencies to assist the city in entering into a project partnership agreement with the corps for the construction of that project. The Resolve also authorizes the governor to direct state agencies to assist Saco and other communities on Saco Bay in the construction of that project and in implementing other beach and beach habitat remediation projects in and around the bay.

**LD 1023: An Act Regarding the Outdoor Release or Abandonment of Balloons.** (Sponsored by Rep. McDonald of Stonington) **PL 2021, c. 374**

This Act amends the state's litter control law to clarify that waste materials resulting from the outdoor release or abandonment of a balloon constitutes litter under that law and provides that it is a violation of the litter law for a person to intentionally release outdoors a balloon that is inflated or filled with a gas that is lighter than air, except for a balloon carrying scientific instrumentation, a balloon used for meteorological observation by a governmental or scientific organization or a hot air balloon that is recovered after launching. The Act applies a civil penalty of not less than \$100 and not more than \$500 for the illegal intentional release of 16 to 24 balloons and a civil penalty of not less than \$500 for the illegal intentional release of more than 24 balloons.

LD 1028: An Act To Ease Business Expansion by Increasing the Number and Applicability of Permit Exemptions under the Site Location of Development Laws. (Sponsored by Sen. Keim of Oxford Cty.) **PL 2021, c. 123**

Under current law, new construction at a licensed manufacturing facility and new construction at or modification of a campus of an educational institution is exempt from review under the laws governing site location of development if certain criteria are met. This Act amends those exemptions by increasing the amount of the disturbed land not to be revegetated from 30,000 to 40,000 square feet in any calendar year and from 60,000 to 80,000 square feet in total.

LD 1161: An Act Concerning Marina-based Restaurants in the Shoreland Zone. (Sponsored by Rep. Cebra of Naples) **PL 2021, c. 336**

This Act authorizes municipalities to adopt ordinances that allow the expansion of an existing restaurant that is part of a marina that has been permitted in accordance with all applicable state and local requirements, provided the expansion is not located over a water body or wetland, is not located any closer to the water body or wetland than the existing restaurant and, except for the water and wetland setback requirements, meets all other state and local permit requirements and complies with all other applicable rules. The Act specifies that the expansion may be allowed if the restaurant and the marina of which the restaurant is a part have both been in existence as of Jan. 1, 2021.

LD 1415: Resolve, To Direct the Department of Environmental Protection To Determine Staffing Needs To More Efficiently and Effectively Issue Decisions on New, Amendment and Minor Revision Applications. (Sponsored by Sen. Breen of Cumberland Cty.) **Resolves 2021, c. 62**

This Resolve directs the Department of Environmental Protection to determine the staffing resources necessary to efficiently and effectively review new permit applications and to issue decisions on amendment and minor revision applications submitted under those same laws within timetables that are no longer than those established by the Commissioner of Environmental Protection for new applications. The Resolve further directs the department, by Nov. 1, 2021, to submit a report to the Committee on Environment and Natural Resources on the outcome of the staffing resources determination, which is authorized to submit implementing legislation in 2022.

LD 1503: An Act To Stop Perfluoroalkyl and Polyfluoroalkyl Substances Pollution. (Sponsored by Rep. Gramlich of Old Orchard Beach) **Emergency Enacted; PL 2021, c. 477 (7/15/21)**

Beginning in 2023, this Act requires manufacturers of products with intentionally added PFAS to report the presence of those substances to the Department of Environmental Protection and further prohibits the sale in Maine of residential carpets or rugs, as well as the sale of fabric treatments, that contain intentionally added PFAS. The department is further authorized to add other products to the list of prohibited sales. Effective in 2030, products containing intentionally added PFAS may not be sold in Maine unless the department specifies that the use of PFAS in a particular product is unavoidable. To the extent funds are available, the department is required to create a PFAS source reduction program that provides information, education and grants to publicly owned treatment works and municipalities to reduce PFAS entering air, water or land.

LD 1505: An Act To Restrict the Use of Perfluoroalkyl and Polyfluoroalkyl Substances in Firefighting Foam. (Sponsored by Rep. Gramlich of Old Orchard Beach) **PL 2021, c. 449**

Beginning on Jan. 1, 2022, this Act prohibits a person from discharging for testing or training purposes fire-suppressing foam that intentionally contains PFAS, unless the foam is entirely collected for proper disposal. The Act also clarifies that the discharge of PFAS is not prohibited when fire-suppressing foams are used in an emergency situation to protect life or property. The Act also pro-

hibits a person from manufacturing, selling, or offering for sale in the state fire-suppression foams to which PFAS has been intentionally added, except: (1) until Jan. 1, 2025 foam that is used at an oil terminal facility; or (2) until federal law no longer requires the use of fire-suppressing foam at airports. Finally, in collaboration with the Department of Defense, Veterans and Emergency Management, Maine Emergency Management Agency and interested parties, the Department of Environmental Protection shall develop a framework for the collection and safe storage of firefighting and fire-suppressing foams to which PFAS substances have been intentionally added. On or before March 1, 2022, the department shall submit a report that includes the proposed framework and recommendations to the Committee on Environment and Natural Resources, which is authorized to submit related legislation for consideration in 2022.

LD 1541: An Act To Support and Improve Municipal Recycling Programs and Save Taxpayer Money. (Sponsored by Rep. Grohoski of Ellsworth) **PL 2021, c. 455**

This Act creates a stewardship program for packaging material to be operated by an organization selected by the Department of Environmental Protection or by an "alternative collection program" operated by an individual producer or a group of producers that is approved by the department. The purpose of the program is to assess and collect payments from producers based on either the weight or volume of packaging materials sold, offered for sale or distributed for sale in Maine by each producer and to reimburse participating municipalities for certain recycling and waste management costs. A municipality electing to participate in the program must: (1) provide for the collection and recycling of packing material that is generated in the municipality and is readily recyclable; and (2) annually report to the stewardship organization all of the information necessary to determine the incurred costs associated with the collection, processing, transportation and recycling of the material. Reimbursement to an eligible municipality is based on the median per-ton cost of managing packaging material. The Act further directs the department to adopt the rules necessary to implement the program.

LD 1572: Resolve, To Analyze the Impact of Sea Level Rise. (Governor's Bill) (Sponsored by Rep. Blume of York) **Resolves 2021, c. 67**

This Resolve directs several state agencies to conduct a review of the laws and rules they are charged with administering and by Jan. 1, 2022, recommend to the Committee on Environment and Natural Resources any changes necessary to: (1) incorporate consideration of 1.5 feet of relative sea level rise by 2050 and four feet by 2100 into administration of those laws and rules; and (2) implement the strategy designated as "Strategy F3" in the state climate action plan issued by the Maine Climate Council in 2020 to enhance community resilience to flooding and other climate impacts. The Committee on Environment and Natural Resources is authorized to submit related legislation for consideration in 2022.

LD 1600: An Act To Investigate Perfluoroalkyl and Polyfluoroalkyl Substance Contamination of Land and Groundwater. (Sponsored by Rep. Gramlich of Old Orchard Beach) **PL 2021, c. 478**

This Act creates the Land Application Contaminant Monitoring Fund to test and monitor soil and groundwater for PFAS and other contaminants and to abate and mitigate the effects of contamination, including but not limited to, the provision of access to safe drinking water and installation of filter treatment systems. In addition to other fees or charges required by statute or rule, beginning Jan. 15, 2023, the Department of Environmental Protection shall assess an annual fee, calculated on a calendar year basis of \$10 per ton, on the handling of sludge or septage to be deposited into the fund.

## Health & Human Services

LD 24: An Act Regarding Certificates of Birth, Marriage and

Death. (Sponsored by Sen. Carney of Cumberland Cty. on behalf of the Department of Health & Human Services) **PL 2021, c. 49**

This Act clarifies that the signatures on a marriage license of the parties intended to be married may be obtained at the issuance of the license or at the time the marriage is solemnized. The Act also requires that when a death or marriage occurs in an unincorporated place, it must be recorded or registered in the electronic registration system. It further clarifies that a birth certificate may be amended by the replacement of a genetic parent and makes technical changes to the laws governing electronic registration records to align with the Maine Parentage Act.

**LD 78: An Act To Protect Children from Extreme Poverty by Preserving Children's Access to Temporary Assistance for Needy Families Benefits.** (Sponsored by Rep. Meyer of Eliot) **PL 2021, c. 97**

Under current law, the Department of Health and Human Services terminates assistance provided under the Temporary Assistance for Needy Families program to an entire family, including children, if the children's parent fails to comply with requirements of the family contract for a period of 90 days or for any subsequent failure. This Act repeals the provision and requires that assistance continue to be provided to children and complying parents.

**LD 129: Resolve, To Protect Consumers of Public Drinking Water by Establishing Maximum Contaminant Levels for Certain Substances and Contaminants.** (Sponsored by Sen. Stewart of Aroostook Cty.) **MANDATE Emergency Passed; Resolves 2021, c. 82 (6/21/21)**

This Resolve sets the interim drinking water standard for regulated perfluoroalkyl and polyfluoroalkyl substances (PFAS) at 20 nanograms per liter instead of 70 parts per trillion and requires the Department of Health and Human Services to regulate perfluorodecanoic acid in addition to the five PFAS substances provided for in the Resolve. It also directs the department to provide annual progress reports to the Health and Human Services Committee until the related rules are finally adopted.

**LD 206: Resolve, Regarding Legislative Review of Chapter 234: Lead Testing in School Drinking Water Rule, a Major Substantive Rule of the Department of Health and Human Services, Maine Center for Disease Control and Prevention.** (Reported by Rep. Meyer of Eliot for the Department of Health & Human Services.) **Resolves 2021, c. 44**

This Resolve authorizes final adoption of the Department of Health and Human Services provisionally adopted rule under Chapter 234: Lead Testing in School Drinking Water Rule. The Resolve also directs the department to amend its rules to: (1) decrease acceptable lead levels from 15 parts per billion to four parts per billion; (2) remove the maximum number of hours a water sample may have been motionless prior to the collection of samples; (3) provide that excessive flushing of pipes may not take place immediately prior to the minimum eight-hour non-usage period; and (4) reduce the number of days that schools have to provide public notice.

**LD 475: Resolve, To Create the Frequent Users System Engagement Collaborative** (Sponsored by Rep. Morales of South Portland) **Emergency Passed; Resolves 2021, c. 23 (6/8/21)**

This Resolve establishes the Frequent Users System Engagement Collaborative, which includes participation from municipal officials, to develop a plan to provide stable housing and community services to 200 persons who are homeless or at risk of homelessness and who are the most frequent consumers of high-cost services, such as psychiatric hospitals, emergency shelters, emergency rooms, police, jails and prisons. The collaborative must submit a report to the Committee on Health and Human Services no later than Jan. 1, 2022, which is authorized to submit related legislation for consideration in 2022.

**LD 488: Resolve, To Expand Recovery Community Organizations throughout Maine.** (Sponsored by Sen. Maxmin of Lincoln

Cty.) **Emergency Passed; Resolves 2021, c. 46 (6/11/21)**

This Resolve requires the Department of Health and Human Services to give preference in awarding contracts for recovery community centers to counties that do not have a state-funded recovery community center until every county has a center. The Resolve also requires the department to periodically provide updates on this effort to the Committee on Health and Human Services.

**LD 964: An Act To Expand Access to Certified Substance Use Disorder Recovery Residence Services.** (Sponsored by Rep. Fecteau of Augusta) **PL 2021, c. 472**

Beginning July 1, 2022, this Act allows a person residing in a recovery residence that is not certified to receive housing assistance under the municipal general assistance (GA) program for one 30-day period and requires the GA director to inform the person that the law requires certification of the recovery residence in order to issue housing assistance under the GA program. The Act also requires the Department of Health and Human Services to amend its rules to establish appropriate maximum housing assistance levels for eligible persons residing in recovery residences that take into account the additional costs of recovery residences compared to other shared housing arrangements, as well as the fair market rents established by the United States Department of Housing and Urban Development that are used to establish maximum housing assistance levels under the GA program.

**LD 1009: Resolve, To Create the Working Group To Design Jail Resource Navigator Services for Maine County Jails.** (Sponsored by Rep. Madigan of Waterville) **Resolves 2021, c. 100**

This Resolve creates a working group directed to design a jail resource navigator services program to ensure that all county jails have access to needed services, including inmate health care, mental health care and substance use disorder treatment. The working group must, no later than Jan. 15, 2023, submit a report to the Committee on Criminal Justice and Public Safety, which is authorized to submit related legislation for consideration in 2023.

**LD 1333: An Act Concerning the Controlled Substances Prescription Monitoring Program and the Dispensation of Naloxone Hydrochloride by Emergency Medical Services Providers.** (Sponsored by Rep. Zager of Portland) **Emergency Enacted; PL 2021, c. 161 (6/11/21)**

In part, this Act authorizes emergency medical services, ambulance services and non-transporting emergency medical services providers to dispense naloxone hydrochloride to an individual who is at risk of experiencing an opioid-related drug overdose or to the individual's immediate family, a friend of the individual or another person in a position to assist the individual.

**LD 1718: An Act To Establish the Accidental Drug Overdose Death Review Panel.** (Governor's Bill) (Sponsored by Rep. Evans of Dover-Foxcroft) **Emergency Enacted; PL 2021, c. 292 (6/21/21)**

This Act establishes the Accidental Drug Overdose Death Review Panel, including a police chief, to review a subset of deaths caused by accidental drug overdoses and to recommend to state, county and local agencies methods of preventing deaths, including modification or enactment of laws, rules, policies and procedures.

**LD 800: An Act To Amend Credit and Debit Card Surcharges Imposed by Governmental Entities.** (Sponsored by Sen. Chipman of Cumberland Cty.) **PL 2021, c. 150**

In part, this Act includes in the definition of a "government entity" an organized plantation, which is authorized to impose a surcharge for payments made by credit card or debit card for taxes, fines, charges, fees, and licenses or the provision of a specific service or good.

**LD 1258: An Act To Implement the Recommendations of the Stakeholder Group Convened by the Emergency Medical Services'**

Board Related to Reimbursement Rates for Ambulance Services by Health Insurance Carriers and To Improve Participation of Ambulance Service Providers in Carrier Networks. (Reported by Rep. Tepler of Topsham for the Joint Standing Committee on Health Coverage, Insurance & Financial Services) **PL 2021, c. 241**

Until Dec. 31, 2023, this Act requires ambulance services to be reimbursed by a carrier accordingly: (1) 200% of the Medicare rate if the provider participates in the carrier's network; (2) 180% of the Medicare rate if the service provider is out-of-network; (3) if the provider is located in a rural or super rural area and is eligible for additional Medicare reimbursement, the reimbursement is increased by the additional Medicare reimbursement; and (4) if prior to the Dec. 1, 2023 the service provider's charge is below 200% of the Medicare rate, the service provider may not increase the charge for that service by more than 5% annually. An insurance carrier shall offer a standard contract to all service providers willing to participate in the carrier's network, provided the contract: (1) reimburses at the rates in place until Dec. 1, 2023; (2) includes a term of not less than 24 months; (3) allows for the termination of the contract if the terminating party provides 180 days' notice; and (4) gives the service provider at least 120 days to submit a claim. The Act also directs the Emergency Medical Services' Board to: (1) adopt rules and protocols evaluating the need for new ambulance services before granting a license; (2) establish a program, by rule, for collecting and reporting costs and performance metrics related to emergency medical treatment services, including ambulance services; and (3) convene a stakeholder group including representation from municipal ambulance services providers, to review issues related to financial health, cost and delivery of ambulance services in the state and submit its findings and recommendations to the Committee on Health Coverage, Insurance and Financial Services no later than Feb. 1, 2023.

### **Inland Fisheries & Wildlife**

LD 114: An Act To Address Airboat Operation in the State. (Sponsored by Rep. McCreight of Harpswell) **PL 2021, c. 166**

This Act repeals current law requiring the Department of Inland Fisheries and Wildlife to establish noise level limits for airboats by rule and replaces it with a provision establishing temporary airboat noise limits, which are repealed on Sept. 30, 2022. The Act also directs the Commissioners of Marine Resources and Inland Fisheries and Wildlife to convene a stakeholder group to examine and determine airboat mechanical systems and adjustments that result in the lowest practically achievable airboat decibel level and examine and determine available federal or other funding to assist owners in addressing identified deficiencies in their airboat mechanical systems to achieve those results. The stakeholder group may also examine other issues related to airboats such as establishing and restoring shellfish harvester access to coastal tidal areas, operational techniques to allow for lower decibel levels and appropriate training and equipment for state and municipal law enforcement officers. By Jan. 15, 2022, the Act requires the commissioners to report findings and recommendations to the committees on Marine Resources and Inland Fisheries and Wildlife. After receiving the report, the Inland Fisheries and Wildlife Committee is authorized to submit related legislation for consideration in 2022.

LD 223: An Act To Clarify Maine's Fish and Wildlife Licensing and Registration Laws. (Reported by Rep. Alley of Beals for the Department of Inland Fisheries & Wildlife) **PL 2021, c. 411**

Of municipal interest, this Act includes language that is consistent with all-terrain vehicle registration requirements in regard to the form and display of snowmobile registration numbers and stickers. The Act also provides that a snowmobile registered after May 1 and prior to July 1 has a registration that expires June 30 of the following year.

LD 569: An Act To Prohibit Hunting with a Bow within 100 Yards of a Building or Residence on That Land without Permission.

(Sponsored by Rep. Tuell of East Machias) **PL 2021, c. 74**

This Act prohibits the discharge of an arrow from a bow when on the land of another person or across the land of another person and within 100 yards of a building or residential dwelling on that land without the permission of the owner or, in the owner's absence, the permission of an adult occupant authorized to act on behalf of the owner.

LD 1439: An Act To Clarify All-terrain Vehicle Registration Requirements and Establish Regular Maintenance of Designated State-approved All-terrain Vehicle Trails. (Sponsored by Rep. Theriault of China) **PL 2021, c. 215**

This Act amends the all-terrain vehicle (ATV) laws in the following ways: (1) increases the registration fees for ATVs by \$25 for each type of registration and requires the Department of Agriculture, Conservation and Forestry, Bureau of Parks and Lands to use the fees deposited into the ATV Recreational Management Fund to oversee construction and maintenance of designated state-approved ATV trails; (2) for registration purposes, creates a category of "antique ATV," which is an ATV over 25 years old, and provides that the registration fee is \$45; and (3) creates a category of "oversized all-terrain vehicle," which is an ATV that is wider than 65 inches or weighs more than 2,000 pounds according to the manufacturer's specifications. The Act also provides that when an oversized ATV is registered, the agent must provide information, developed by the department, which explains size and weight restrictions and other conditions for use over designated state approved ATV trails.

LD 857: An Act To Create a Municipal Grant Program To Promote Sustainable Economic Development. (Sponsored by Rep. Bailey of Gorham) **PL 2021, c. 319**

This Act establishes the Municipal Grant Fund to provide competitive grant funding for projects that further the goals of sustainable economic development as outlined by the Maine Economic Growth Council in the council's annual "Measures of Growth" report and by the economic development strategy for the state as administered by the Department of Economic and Community Development.

### **Judiciary**

LD 32: An Act Regarding Remote Participation in Public Proceedings. (Sponsored by Sen. Stewart of Aroostook Cty.) **Emergency Enacted; PL 2021, c. 460 (6/21/21)**

After notice and public hearing, this Act authorizes municipal officials to adopt a policy regulating the use of remote meetings. The Act clarifies that remote participation by a member of the body is authorized only when a physical presence is not practical, which may include an emergency, illness or other physical condition or temporary absence from the jurisdiction making it significantly difficult for a member to travel to attend in person or when geographic characteristics impede or slow travel. The policy must also: (1) provide the public with an opportunity to participate remotely when a member of the body is authorized to do so; (2) provide an effective means of communication between the body and public, when allowed; (3) include in the notice of the meeting information on how members of the public can participate in-person and remotely; and (4) require all materials to be made available to the same extent available to those participating at the meeting location. The law also clarifies that votes must be taken by roll call and a member participating remotely is considered present for the purposes of establishing a quorum and for voting.

LD 132: An Act To Implement the Attorney General's Recommendations on Data Collection in Order To Eliminate Profiling in Maine. (Sponsored by Rep. Talbot Ross of Portland) **PL 2021, c. 460**

Beginning on July 1, 2023, this Act requires law enforcement agencies to collect data regarding traffic violation stops and to submit information regarding race, color, ethnicity, gender and age of each person involved in the stop based on the observation and perception of the officer responsible for reporting the stop, the reason for the stop and whether a warning or citation was issued, an arrest made or search conducted. The information must be submitted to the Attorney General, who is directed to submit a publicly accessible report including recommendations for changes in laws, rules and practices to the Committee on Judiciary.

**LD 363: An Act Regarding the Statute of Limitations for Injuries or Harm Resulting from Perfluoroalkyl and Polyfluoroalkyl Substances.** (Sponsored by Rep. Pluecker of Warren) **PL 2021, c. 328**

This Act provides that an action arising out of any harm or injury caused by a perfluoroalkyl or polyfluoroalkyl substance accrues when the plaintiff discovers or reasonably should have discovered the harm or injury, and provides that this provision applies to all actions occurring prior to the enactment of the law. Furthermore, the terms of the Act do not alter the notice period or limitation period applicable to claims against a government entity.

**LD 448: An Act Regarding Recording of Witness Interviews.** (Sponsored by Rep. Harnett of Gardiner) **PL 2021, c. 381**

This Act directs the Board of Trustees of the Maine Criminal Justice Academy to adopt minimum policy standards regarding the recording and preservation of witness interviews conducted by law enforcement officers in murder investigations and Class A, Class B and Class C crime investigations. Law enforcement agencies are required to adopt policies containing at least the minimum policy standards, which may not require the recording of all witness interviews, but must factor in the feasibility of recording individual interviews, taking into account the circumstances of the witness, the time and place of the interview and the crime, as well as the capability of

the law enforcement agency to record the interview.

**LD 560: An Act To Amend the Safe Haven Laws.** (Sponsored by Rep. Corey of Windham) **PL 2021, c. 466**

This Act amends the safe haven laws regarding abandoned children by including a safe haven baby box to the list of safe havens that a person may deliver a newborn child to under the Child and Family Services and Child Protection Act and to serve as an affirmative defense to the criminal offense of the abandonment of a child. A safe haven baby box is a device or container that can safely accept delivery of a newborn child that is located in a hospital, law enforcement facility or fire department facility that is staffed 24 hours a day by a medical services provider. This Act also directs the Department of Health and Human Services to adopt rules governing the design, installation and use of safe haven baby boxes to ensure necessary safety specifications are met.

**LD 563: Resolve, To Create the Criminal Records Review Committee.** (Sponsored by Rep. Talbot Ross of Portland) **Resolves 2021, c. 121**

LD 1345: An Act To Implement the Recommendations of the Right To Know Advisory Committee. (Reported by Rep. Harnett of Gardiner for the Joint Standing Committee on Judiciary) **MANDATE PL 2021, c. 313**

This Act amends the Freedom of Access law by capping the fee for copying a public record at 10¢ per page and clarifying that a fee may not be assessed for records provided electronically. The law also extends the related training requirements to code enforcement officers, town and city managers, administrators, planning board members, school superintendents, assistant superintendents and school board members and clarifies that the training must be completed within 120 days of assuming the duties of the position.

LD 1346: An Act To Implement the Recommendations of the Right To Know Advisory Committee Concerning Fees Charged for Responding to Public Records Requests. (Reported by Rep. Harnett of Gardiner for the Joint Standing Committee on Judiciary) **PL 2021, c. 375**

This Act amends the Freedom of Access law by extending from one to two hours the time period for which an official may not charge a fee for completing a public record request and increases the fee that may be charged after the first two hours from \$15 to \$25 per hour.

LD 1480: An Act Regarding the Review of Law Enforcement Use of Deadly Force. (Sponsored by Rep. Talbot Ross of Portland) **PL 2021, c. 353**

This Act requires the Attorney General (AG) to complete an investigation of and submit findings regarding the use of deadly force by a law enforcement officer to the Attorney General's Deadly Force Review Panel within 180 days of receiving notice of the use of deadly force. The AG is required to provide notice to the panel if the investigation is not completed within 180 days and provide a summary of the investigation up to the date of the notice, identify the reason for the delay and provide an anticipated conclusion date of the process, which may not exceed 270 days from receiving notice of the use of deadly force. The Act also amends the Intelligence and Investigative Record Information Act to make it clear that the Act does not preclude the public dissemination of a portion of a video in the custody of the AG depicting the use of deadly force by law enforcement when the public interest in the evaluation of the use of deadly force and the review and investigation of those incidents by the AG outweighs the harms contemplated by state statutes. The Act also requires the AG to issue a decision on whether to release a video no later than 30 days after receiving a request for release and to provide written notice detailing the basis for any denial, a time frame for release of all or part of the video and the process to appeal the decision.

sent when responding to an emergency, an employee who is also a firefighter or emergency medical services person must have presented to the employer within 30 days of employment a copy of a fire department or emergency medical services provider policy that specifies the circumstances under which the employee is needed to respond to an emergency and that affirms that the employee will be released as soon as practicable. This Act removes the requirement that the employee present the copy within 30 days of employment and instead requires that the employee present the copy within 30 days of notifying the employer of the employee's status as a firefighter or emergency medical services person. The Act also corrects a technical error to include "emergency services person" in the laws pertaining to individuals designated as essential.

**LD 189: An Act To Permit All Public Employers To Implement Payroll Deductions for Disability and Life Insurance Policies.** (Sponsored by Sen. Jackson of Aroostook Cty.) **PL 2021, c. 102**

**Participating Local District Retirement Program for Certain Law Enforcement Officers, Firefighters and Other Municipal Employees.** (Sponsored by Sen. Bailey of York Cty.) **PL 2021, c. 286**

This Act allows employees to enroll in the Participating Local District Retirement Program up to and including in that employee's fifth year employment anniversary through an annual open enrollment. It also provides a one-time election for participating local district employees whose five-year work anniversary has passed.

**LD 1167: An Act Relating to Fair Chance in Employment.** (Sponsored by Rep. Talbot Ross of Portland) **PL 2021, c. 404**

This Act prohibits an employer from requesting criminal history record information on an initial employee application form or state on the application form or advertisement that a person with a criminal history may not apply or will not be considered for employment prior to determining if a person is otherwise qualified for the position. The Act provides exceptions to the prohibitions, including instances in which federal or state law, regulation or rule mandates that a criminal conviction disqualifies an applicant, or imposes an obligation on an employer not to hire an applicant who has been convicted of a certain type of offense. An employer who violates this prohibition is subject to a penalty of not less than \$100 nor more than \$500 for each violation.

**LD 1530: An Act To Allow People To Live in Tiny Homes as a Primary or Accessory Dwelling.** (Sponsored by Rep. McCrea of Fort Fairfield) **PL 2021, c. 219**

**LD 152: An Act To Address Training Requirements for Harbor Masters.** (Sponsored by Rep. McCreight of Harpswell) **PL 2021, c. 53**

Under current law, a person appointed or reappointed to the position of harbor master or deputy harbor master after Aug. 13, 2006 must complete a basic training course within one year of appointment. This Act amends existing requirements by specifying that if a person has not held the position within the last five years, that person must complete the basic training course. The Act also requires harbor masters and deputies to complete eight hours of continuing education every three years. Finally, the Act permits, but does not require, municipalities to pay for the mandated training and directs the Harbor Masters Association to offer both in-person and remote training options.

**LD 263: An Act To Make Technical Changes to Maine's Marine Resources Laws.** (Sponsored by Rep. McCreight of Harpswell) **PL 2021, c. 168**

In part, this Act permits the Commissioner of Marine Resources to adopt rules to add or delete authorization for an aquaculture lease held only for scientific research purposes. The rules must provide for notice of proposed changes in gear authorization and an opportunity for the submittal of written comments by the public, riparian landowners and the municipality in which the lease is located.

**LD 596: An Act To Improve the Law Regarding Abandoned Roads.** (Sponsored by Sen. Claxton of Androscoggin Cty.) **PL 2021, c. 145**

Effective Oct. 1, 2021, this Act repeals and replaces the current statute on the abandonment of town ways with a process that a municipality may choose to follow to declare a town way abandoned. This process includes notice provisions to abutting property owners, property owners for whom the town way is the only means of access and adjacent municipalities and counties and provides for a public hearing process and an appeals process. The Act clarifies that the public easement retained in a town way discontinued by abandonment is limited to rights of access by foot or motor vehicle. Furthermore, the Act expressly states that the section of law does not alter the ability of a town way to be abandoned under the common law presumption of abandonment.

**LD 621: An Act To Increase the Number of Franklin County Commissioners.** (Sponsored by Rep. Landry of Farmington) **MAN-DATE PL 2021, c. 8**

This Act requires the legislative apportionment commission to develop two apportionment plans for Franklin County, one plan dividing Franklin County into three commissioner districts and the other plan dividing the county into five commissioner districts. In the election held in Nov. 2, 2021, the Franklin County Commissioners are required to submit a referendum question to the voters asking whether they favor dividing Franklin County into five districts. If the referendum question passes with a majority vote, the commission is required to submit an apportionment plan dividing Franklin County into three districts until 2024 and five districts thereafter.

**LD 1010: An Act To Establish the Maine Service Fellows Program.** (Sponsored by Rep. Reilly of Westbrook) **PL 2021, c. 155**

This Act establishes the Maine Service Fellows Program under the Maine Commission for Community Services, designed to engage program participants in devoting a year of service to Maine communities. The commission is directed to implement the program to attract and retain motivated adults who have completed a college degree within the prior five years to apply their skills and abilities to projects for the benefit of Maine citizens; provide rural and underserved Maine communities a resource to address critical health, public safety, education and environmental needs; and strengthen civic engagement of both the program fellows and community residents through solutions based in whole or in part in volunteer service. The commission is directed to establish an advisory committee to guide the launch of the program, including representation from town managers, regional planning organizations, rural government leaders, not-for-profit organizations and MMA. Provided funding is available, within 180 days following the effective date of this Act, the commission must seek to establish the first class of 10 program fellows who agree to participate in the program for up to 1,800 hours over a 12-month period beginning in 2022.

**LD 1065: An Act To Clarify the Qualifications and Oversight of Sheriffs.** (Sponsored by Rep. Pickett of Dixfield) **PL 2021, c. 202**

This Act clarifies that a candidate for county sheriff must either be: (1) currently certified as a law enforcement officer and in compliance with all applicable training requirements; or (2) a previously certified law enforcement officer who agrees to meet all applicable training requirements within one year of taking office. The Act also requires all county sheriffs to continually meet the in-service law en-

forcement training standards and any other statutory requirements of preservice, basic or in-service law enforcement training required for certification or continued certification as a law enforcement officer. The Act further provides that a full-time law enforcement officer employed by a municipal police department or state agency before July 1, 1990 is deemed to have met the minimum qualifications for county sheriff.

**LD 1522: An Act To Update and Eliminate References in Statute to Selectmen and Overseers of the Poor.** (Sponsored by Rep. Doudera of Camden) **PL 2021, c. 275**

This Act replaces in Maine statutes the term “board of selectmen” with “select board;” “overseer of the poor” with “board of overseers;” and in most instances, “a selectman” with “member of the select board.”

**LD 1536: An Act Regarding Municipal Public Hearings on Citizen-initiated Municipal Referenda.** (Sponsored by Rep. Bradstreet of Vassalboro) **PL 2021, c. 185**

This Act requires that the public hearing held by municipal officers on an article initiated by written petition include a discussion on the merits of the proposal for which the referendum was initiated.

**LD 1723: An Act Regarding Winter Maintenance on Private Roads in the Town of Windham.** (Sponsored by Rep. Bryant of Windham) **Emergency Enacted; P & SL 2021, c. 10 (6/17/21)**

This Act allows the Town of Windham to continue providing winter maintenance on certain private ways, regardless of the existence of a public easement, and authorizes the town to develop an ordinance to provide for the maintenance of a designated way. The town is further required to submit a report to the Committee on State and Local Government detailing the progress toward conforming the use of public funds for winter maintenance on private ways with constitutional and statutory requirements, including assessments from the town’s police chief and fire-rescue chief on the connection between winter maintenance on certain private ways and public health and safety.

**LD 141: An Act To Make Technical Changes to the Tax Laws.** (Sponsored by Rep. Terry of Gorham) **PL 2021, c. 253**

Of municipal interest, this Act clarifies that: (1) an assessor’s examination results are confidential and not subject to a Freedom of Access Act request; and (2) enhanced BETE reimbursement only applies to tax increment financing (TIF) exempt business equipment when the reimbursement is used to fund a TIF development program.

**LD 179: Resolve, To Require a Review of Property Tax Assessment of Energy Efficiency Improvements.** (Sponsored by Rep. Kessler of South Portland) **Resolves 2021, c. 93**

This Resolve requires Maine Revenue Services to convene a stakeholder group to review the assessment of energy efficiency improvements, including heat pumps, for the purpose of identifying the most appropriate ways to assess such property for the purposes of the property tax.

**LD 191: An Act To Permit Municipalities To Provide Assistance to Veterans in Paying Property Taxes.** (Sponsored by Sen. Bailey of York Cty.) **PL 2021, c. 69**

This Act authorizes municipalities to adopt a program that provides benefits to veterans and their eligible family members who own or rent a homestead in the municipality. The benefit for owners is based on the impact property tax equalization has on the amount received as a property tax exemption compared to the amount that would have applied if no equalization was applied. The benefit for renters is \$100. The Act further provides that an eligible claimant must have maintained a homestead in the municipality for a certain period of time, as determined by the municipality.

LD 198: An Act To Improve Maine’s Tax Laws by Providing a Property Tax Exemption for Central Labor Councils. (Sponsored by Sen. Chipman of Cumberland Cty.) **PL 2021, c. 410**

This Act provides a property tax exemption for the real estate and personal property owned by central labor councils and occupied or used solely for their own purposes.

LD 897: An Act To Allow Municipalities To set Below-market Interest Rates for Senior Citizen Property Tax Deferral Programs. (Sponsored by Rep. Warren of Scarborough) **PL 2021, c. 120**

This Act authorizes a municipality that has implemented a property tax deferral program for senior citizens to adopt an interest rate on deferred property taxes that is less than the rate established in statute.

LD 953: An Act To Improve Affordable Housing Options and Services To Address Homelessness. (Sponsored by Sen. Deschambault of York Cty.) **PL 2021, c. 261**

This Act permits a municipality to invest tax increment financing revenue outside of the district to fund the costs associated with the operation and financial support of: (1) affordable housing in the municipality to serve ongoing economic development efforts, including the further development of the downtown TIF district; and (2) housing programs and services to assist those who are experiencing homelessness as defined in the community’s development program.

LD 1132: An Act To Encourage the Renovation of Available Housing Stock. (Sponsored by Rep. Morales of South Portland) **PL 2021, c. 127**

For qualifying tax liens recorded after Dec. 1, 2021, this Act allows for the clearing of title of tax-acquired residential property, deemed abandoned by the code enforcement officer or other public official, within six months of the acquisition by the municipality

rather than five years as required under existing law. As defined in the Act, residential property includes a structure that has one to four residential units. Evidence of abandonment includes: (1) boarded-up, broken or unlocked doors; (2) accumulated rubbish, trash or debris; (3) the absence of furnishing and personal property from the residence; and (4) reports to law enforcement authorities of trespassers, vandalism or other illegal acts being committed on the property. The determination of abandonment must be certified by the designated municipal official and filed with the registry of deeds. Finally, the Act requires municipalities to inform the Maine State Housing Authority of the acquisition of abandoned property for the authority’s use in determining opportunities for redevelopment, programs supporting first-time home buyers and data analysis.

LD 1193: An Act To Exempt Certain Disabled Veterans from the Motor Vehicle Excise Tax. (Sponsored by Rep. Brooks of Lewiston) **PL 2021, c. 240**

This Act extends the motor vehicle excise tax exemption to veterans who are granted free registration to include all veterans who are disabled by injury or disease incurred or aggravated during active military service in the line of duty and are receiving a pension or compensation from the federal government for total service-connected disability.

LD 1216: An Act To Amend the State Tax Laws. (Sponsored by Rep. Terry of Gorham) **PL 2021, c. 181**

Of municipal interest, this Act: (1) reduces the declared ratio accuracy threshold from within 20% to within 10% of the most recent state valuation ratio used to provide state reimbursement for the homestead exemption; (2) authorizes the Property Tax Bureau to audit municipal records to ensure compliance with the laws pertaining to reimbursement for property tax exemptions, similar to the process provided for homestead exemption reimbursement;

This Act allows a municipality to authorize a harbor master or deputy harbor master to use a red or combination red and white flashing auxiliary light on a personal vehicle when responding to a watercraft emergency. The authority may be revoked by the municipality at any time.

**LD 130: An Act to Create Appropriate Standards for the Secretary of State To Follow When Approving the Assignments of Vanity Registration Plates.** (Sponsored by Sen. Diamond of Cumberland Cty.) **PL 2021, c. 232**

This Act limits the vanity registration plates the Secretary of State may refuse to issue or may recall to plates that: (1) falsely suggest an association with a public institution or government; (2) are duplicative; (3) encourage violence or contain language that may

result in an act of violence or other unlawful activity because of the content of the language; (4) are profane or obscene; (5) make derogatory references; (6) connote genitalia or relate to sexual acts; or (7) form a slang term, abbreviation, phonetic spelling or mirror image of a word or term within any of the other categories. The Act also creates an appeals process for challenging the secretary's decision to refuse to issue or recall a vanity registration plate.

**LD 227: Resolve, To Conduct a Transit Propensity Study for Communities between Portland and Bangor.** (Sponsored by Sen. Baldacci of Penobscot Cty.) **Resolves 2021, c. 53**

This Resolve directs the Department of Transportation to conduct a transit propensity study, if sufficient funding is received, to assess the demand and viability for new or enhanced transit service, including passenger rail, between the communities of Portland and Bangor. It requires the department to submit a report based on its study by Jan. 1, 2023 to the Committee on Transportation, which is authorized to submit related legislation for consideration in 2023. Furthermore, the Resolve specifies that funds may not be collected by or transferred to the department for the purpose of conducting the study unless the department receives commitments for no less than 25% of the overall costs of the study from municipalities for which new or enhanced transit will be assessed as part of the study. If the impacted municipalities have not fulfilled their funding commitment by the agreed upon dates, the department is authorized to discontinue the study and return any remaining municipal funds.

This Act removes the requirement that an expiration date be displayed on the State of Maine Bicentennial commemorative motor vehicle registration plate; extends the expiration date of the commemorative plate to Dec. 31, 2021; and extends the Maine Bicentennial Commission to Dec. 31, 2021.

**LD 644: An Act Regarding Motor Vehicle Registration Violations.** (Sponsored by Rep. Cloutier of Lewiston) **PL 2021, c. 427**

This Act provides that a person who operates an unregistered vehicle, fails to register a vehicle or operates an unregistered vehicle on a public way commits a traffic infraction for which a \$100 fine must be adjudged for a first offense if the registration has been expired for 150 or more days, and \$500 for each subsequent offense. Operation of a vehicle that has never been registered by the current owner, or failure to register a vehicle from another state more than 150 days after establishing residency is a Class E crime. The Act also provides a process to dismiss an alleged violation if the person shows satisfactory evidence that the vehicle was registered at the time of the violation or is registered prior to the date for answering the complaint.

**LD 662: An Act To Allow the Use of an Additional Light on the Roof of Vehicles of Active Members of a Municipal or Volunteer Fire Department.** (Sponsored by Rep. Wadsworth of Hiram) **PL 2021, c. 113**

This Act allows municipal officers or a designated official, with the approval of the fire chief, to authorize an active member of a municipal or volunteer fire department when responding to an emergency to use one red light bar no more than eight inches in length on the roof of the vehicle so that the light is visible to approaching traffic from the front and the rear of the vehicle.

**LD 669: An Act To Ensure Public Ways are Compliant with the Federal Americans with Disabilities Act of 1990.** (Sponsored by Rep. Morales of South Portland) **PL 2021, c. 334**

This Act requires all public way improvements to comply with the Americans with Disabilities Act of 1990, including the placement of aboveground facilities in the public way. Additionally, the Act makes an alteration or relocation of an aboveground facility that is part of a construction or reconstruction project the financial responsibility of the facility owner.

**LD 672: Resolve, To Direct the Department of Transportation To Use a Rail Corridor Use Advisory Council in Reviewing the Mountain Division Rail Line for Potential Nonrail Uses.** (Sponsored by Sen. Bennett of Oxford Cty.) **Emergency Passed; Resolves 2021, c. 52 (6/14/21)**

This Resolve directs the Department of Transportation to review the Mountain Division Line rail corridor, connecting the towns of Standish and Fryeburg, for potential non-rail uses through a rail corridor use advisory council.

**LD 821: An Act To Improve the Investigation and Prosecution of Cases That Involve Vulnerable Road Users.** (Sponsored by Sen. Daughtry of Cumberland Cty.) **PL 2021, c. 379**

This Act requires a law enforcement officer who investigates a reportable accident involving a vulnerable user or an incident resulting in bodily injury or death to a vulnerable user and who has probable cause to believe that a traffic infraction, civil violation or criminal violation is connected to that accident or incident to inform a district attorney about the investigation within five days and submit a final accident report as soon as is practicable but no later than 60 days after the accident or incident. Under the traffic laws, a

vulnerable user is a person on a public way who is more vulnerable to injury than a person in a motor vehicle. The Act also clarifies that evidence submitted by a law enforcement officer later than 60 days after an accident or incident described in the Act may be used in the prosecution of a criminal violation or civil violation.

**LD 991: Resolve, Directing the Department of Transportation To Conduct an Economic Evaluation Study for Commuter and Passenger Train Service between Portland and the Lewiston and Auburn Area.** (Sponsored by Sen. Chipman of Cumberland Cty.) **Resolves 2021, c. 56**

This Resolve directs the Department of Transportation to conduct an economic evaluation study for commuter and passenger train service between Portland and the Lewiston and Auburn area that builds on the data and potential next steps included in the May 2019 Lewiston-Auburn Passenger Rail Service Plan. The cost of the study may not exceed \$200,000, of which \$20,000 must be funded by the impacted communities. The Resolve further directs the department to submit a report of its findings and recommendations to the Committee on Transportation no later than March 1, 2022, which is authorized to submit related legislation for consideration in 2022.

**LD 1027: An Act To Amend the Laws Governing Local Bridges.** (Sponsored by Sen. Farrin of Somerset Cty.) **PL 2021, c. 201**

This Act requires the Department of Transportation to notify a municipality when a bridge for which a municipality has maintenance responsibility requires a posting or closure and requires the municipality to carry out the posting or closure. The Act also provides that in order for the department to accept certain responsibilities for an improved bridge or for a new bridge, the department must approve the design of the improvements or construction before the improvements are made or the bridge is constructed. The design of the improvements or construction must meet standards set by the department and be sealed by a professional engineer.

**LD 1104: An Act To Increase the Time for Which a Temporary Motor Vehicle Registration Plate Is Valid.** (Sponsored by Sen. Farrin of Somerset Cty.) **PL 2021, c. 126**

Of municipal interest, this Act amends a provision under the Maine Medical Use of Marijuana Act allowing registered caregivers and dispensaries to transfer and accept from another registered caregiver or a dispensary an unlimited amount of their marijuana plants and harvested marijuana in a wholesale transaction.

LD 1126: An Act To Update the Voter Registration Process. (Sponsored by Rep. Pierce of Falmouth) **PL 2021, c. 439**

Effective on Nov. 1, 2023, this Act directs the Secretary of State to post on a publicly accessible website an online voter registration application enabling an individual to register to vote and enroll in a party, change a voter's party, withdraw from a party or notify the appropriate registrar of a voter's change of name or address. An online voter registration application must be received by the secretary by midnight on the 21st day before the election and transmitted to the registrar's office on a daily basis. An individual who uses the online application to register to vote must satisfy the signature requirement of state election law by submitting a current and valid Maine

driver's license number or non-driver identification card. If neither document is available, the individual must submit an electronic image of the applicant's signature. The online voter registration application must be designed to prevent an applicant from registering to vote unless the applicant discloses a valid Maine driver's license number, non-driver identification number, or the last four digits of the applicant's social security number.

LD 1363: An Act To Amend the Laws Governing Elections. (Sponsored by Sen. Luchini of Hancock Cty.) **PL 2021, c. 273**

Of municipal interest, this Act: (1) clarifies that the elections to be determined by ranked-choice voting include primary elections for federal and state offices, including the office of the governor; general and special elections for federal offices; and the primary election for the president of the United States; (2) describes the security measures that must be in place to utilize absentee ballot drop boxes and implements a procedure authorizing a municipality to obtain and use absentee ballot drop boxes at multiple locations within a community's boundaries, subject to the approval of the secretary; and (3) creates a process for allowing a voter to cure a discrepancy with a returned absentee ballot.

LD 1434: An Act Regarding Controlled Entry Areas within Retail Marijuana Stores. (Sponsored by Rep. Perry of Bangor) **PL 2021, c. 314**

This Act allows a marijuana store to have a controlled, indoor entry area, which must be physically separated from the sales area, directly inside the store where the identification of a purchaser can be verified and the purchaser can await entry into the store. A licensee shall ensure that persons under 21 years of age do not enter its licensed premises, except that a marijuana store licensee may use a controlled, indoor entry area to verify the identification and age of persons before allowing entry.

LD 1575: An Act To Improve Maine's Election Laws. (Sponsored by Rep. McCreight of Harpswell) **PL 2021, c. 246**

This Act amends the election laws by: (1) allowing an individual who is registering to vote to verify the individual's identity with a student photographic identification that is issued by a state-approved public or private school or by a duly authorized institution of higher learning that is located and operates in Maine; (2) directing the Secretary of State to prepare instructions describing the reasons a voter may request and receive an absentee ballot after the period for no-excuse absentee voting has ended and requires municipalities to include these instructions on a sign posted at the municipal office and on any website, social media page or other media that the municipality uses to communicate election information; (3) requiring the municipal clerk to include in the voting place report the location of each secured drop box and the times for in-person absentee voting in the municipality; (4) authorizing the secretary to adopt rules governing pollwatchers, additional party workers and others present in the polling place; and (5) clarifying that absentee ballots may not be counted until after: (a) the polls have closed on election day; (b) all election day ballots have been cast; and (c) all absentee ballots have been processed.

LD 1642: An Act Regarding Local Option Elections. (Sponsored by Sen. Luchini of Hancock Cty.) **Emergency Enacted; PL 2021, c. 137 (6/10/21)**

This Act provides that if a municipality conducted a local option election prior to Jan. 1, 1977 approving the issuance of licenses for the sale of liquor for on-premises consumption at any type of licensed establishment, the election results are deemed to be evidence that the municipality approved the issuance of licenses for the sale of liquor for on-premises consumption by all types of licensed establishments unless the municipality voted to prohibit the issuance of licenses for the sale of liquor for on-premises consumption in a subsequent local option election. ■
