[LD 1184](#) *An Act to Require Municipal Reporting on Residential Building Permits, Dwelling Units Permitted and Demolished and Certificates of Occupancy Issued* (Sponsored by Rep. Gere of Kennebunkport)

This bill directs municipalities to provide an annual report on certain housing data to the Department of Economic and Community Development for use in administering the Housing Opportunity Program, including data on residential building permits, dwelling units permitted and demolished and certificates of occupancy or other approvals of housing units issued and certain affordability data.

[LD 1183](#) *An Act to Ensure Rent-to-own Protections Apply to Mobile Home Park Tenants* (Sponsored by Rep. Gere of Kennebunkport)

This bill modifies the provisions of law governing option contracts to purchase real property through a rent-to-own agreement by clarifying that mobile homes qualify as real property for the purpose of entering into a rent-to-own agreement.

[LD 1182](#) *An Act to Grant the Rockland Port District an Increase in Its Borrowing Capacity and Include Sustainable Aquaculture and Marine Industries in Its Charter* (Sponsored by Rep. Geiger of Rockland)

This bill raises the debt limit of the Rockland Port District from \$600,000 to \$6 million and allows the district to purchase, maintain and operate facilities supporting sustainable aquaculture and marine industries.

[LD 1181](#) *An Act Regarding the Designation of Short-term Rental Units as Commercial or Residential in Use* (Sponsored by Rep. Gere of Kennebunkport)

This bill clarifies that a municipality may require the municipal assessor to assign a land use code to a short-term rental unit that designates the rental unit as commercial in use or residential in use. The bill also defines "commercial in use" as a short-term rental unit that is not claimed as the primary residence of the owner and a "residential in use" as a short-term rental unit that is claimed as the primary residence of the owner.

[LD 1179](#) *An Act to Establish Minimum Safety Standards for the Construction and Use of Temporary Emergency Shelters* (Sponsored by Rep. Macias of Topsham)

This bill requires the Commissioner of Public Safety, in consultation with the Department of Public Safety, Office of the State Fire Marshal, Technical Building Codes and Standards Board, to establish rules governing life and fire safety for temporary emergency shelters, which

includes a structure or mobile unit designed for short-term habitation during an emergency, but not limited to mobile homes, modular units and other nonpermanent structures.

[LD 1178](#) *An Act to Expedite the Process Involving Municipalities That Illegally Move a Person to Avoid Responsibility for General Assistance Support* (Sponsored by Rep. Salisbury of Westbrook)

This bill decreases from 30 to 15 working days the period for the Department of Health and Human Services to determine if a municipality has illegally moved an individual to avoid responsibility for general assistance support and also reduces the appeals period from 30 to 15 days after the determination is made. The bill provides for interest on unreimbursed amounts to be paid by the offending municipality, a penalty of up to \$10,000 for a repeat violation within a 12-month period, and creates the rebuttable presumption that if a municipality moves a person to another municipality, the municipality did so to avoid paying general assistance to that person.

[LD 1177](#) *Resolve, Establishing a 3-year Moratorium on the Installation or Reinstallation of Synthetic Turf and Requiring a Study of the Public Health and Environmental Risks of Synthetic Turf* (Sponsored by Rep. Gramlich of Old Orchard Beach)

This resolve puts a three-year moratorium on the installation or reinstallation of synthetic turf in any park, outdoor playing field or athletic field, indoor athletic facility or similar venue. The bill also directs the Department of Environmental Protection to examine whether synthetic turf is a risk to public health, the surrounding environment and the state's climate emissions goals. No later than November 4, 2026, the department is further directed to submit a report that includes its findings and recommendations, including suggested legislation, for presentation to the Legislature in 2027.

[LD 1174](#) *An Act to Allow Gun Shops to Hold Firearms for Veterans of the United States Armed Forces and First Responders* (Sponsored by Rep. Wood of Greene)

This bill allows a gun shop to take possession of a firearm owned by a U.S. Armed Forces veteran or first responder if the gun shop enters into a firearm hold agreement with the owner, keeps the firearm separate from the gun shop inventory and contacts the owner every six months. The firearm hold agreement must indicate a family member or other individual who may lawfully possess a firearm and will take possession of the firearm upon proof of the death of the owner of the firearm during the pendency of the firearm hold agreement.

[LD 1172](#) *An Act to Enact the Passamaquoddy Fisheries and Workforce Development Act* (Sponsored by Rep. Dana of the Passamaquoddy Tribe)

This concept draft bill proposes to enact the Passamaquoddy Fisheries and Workforce Development Act.

[LD 1170](#) *An Act to Make the Maine Redevelopment Land Bank Authority Responsible for the Transfer and Development of State-owned Surplus Land* (Sponsored by Rep. Julia of Waterville)

This bill replaces the Maine State Housing Authority with the Maine Redevelopment Land Bank Authority as the state agency responsible for the transfer and development of state-owned surplus land and removes an outdated report provision regarding the housing authority's first option to purchase surplus lands.

LD 1169 *An Act Regarding Employer Payments for the Paid Family and Medical Leave Benefits Program* (Sponsored by Rep. Soboleski of Phillips)

This bill amends the Paid Family Medical Leave Act by allowing an employer whose private plan is approved by the department to request a refund of the premiums paid if that employer had a substantially equivalent private plan in place on or before January 1, 2025. The department or administrator, after verifying the amount paid by the employer, is required, within 90 days of receipt of the refund request, to refund the employer the premiums paid, plus interest that accrues to the date the refund payment is issued. The bill also requires the department to make available information regarding the availability of a refund.

LD 1168 *An Act to Amend the Law Regarding the Current Use Valuation of Certain Working Waterfront Land with Respect to Commercial Boat Yards* (Sponsored by Rep. Faulkingham of Winter Harbor)

This bill amends the tax laws relating to the current use valuation of certain working waterfront land to clarify that working waterfront land includes commercial boat yards, which are defined as commercial facilities that lease storage, docking or mooring space to watercraft and are used primarily or predominantly by persons engaged in commercial fishing activities.

LD 1167 *Resolve, to Create a Pilot Program to Assist Nonprofit Housing Developers in Rehabilitating Existing Aging Housing Stock for First-time Home Buyers* (Sponsored by Rep. McCabe of Lewiston)

This resolve directs the Maine State Housing Authority to create a pilot program to provide nonprofit housing developers grants of up to \$80,000 per unit to rehabilitate existing aging housing stock for purchase by first-time home buyers who: (1) will occupy the unit; (2) do not earn incomes that exceed 120% of the area's median income; and (3) agree to relinquish a graduated percentage of profit if they sell the unit within the first three years of ownership.

LD 1165 *An Act to Create a Fund for Safe Disposal of Hazardous Fluids from Salvage Yards* (Sponsored by Rep. Cluchey of Bowdoinham)

This bill creates the Vehicle Fluid Waste Fund, capitalized by a \$100 purchase fee on new automobiles, to reimburse owners and operators of automobile graveyards for the costs to properly dispose of fluids extracted from motor vehicles deposited in the automobile graveyards.

LD 1164 *An Act to Create Economic Opportunity for the Wabanaki Nations Through Internet Gaming* (Sponsored by Rep. Rana of Bangor)

This bill authorizes each federally recognized Indian nation, tribe or band to operate internet gaming pursuant to a license from the Gambling Control Unit within the Department of Public Safety. Only a federally recognized Indian nation, tribe or band is eligible to obtain a license and operate internet gaming.

LD 1158 *An Act to Expand Appliance Energy and Water Standards* (Sponsored by Rep. Bell of Yarmouth)

Beginning on or after July 1, 2027, this bill expands the list of items that cannot be sold or offered for sale in Maine, in accordance with Department of Environment Protection rules, to include commercial battery chargers, dishwashers, food steamers, fryers, and ovens; computer server power supplies; gas fireplaces; residential ventilating fans; and water softeners.

LD 1156 *An Act to Allow Military Surplus Vehicles to Be Collected and Used in Patriotic Exhibitions and Parades* (Sponsored by Rep. Perkins of Dover-Foxcroft)

This bill allows military surplus vehicles that are lawfully purchased for civilian use to be registered and operated for participation in parades and other events, club activities and other activities; for transportation to and from these events and activities; and for maintenance, repair, sale and occasional pleasure driving.

LD 1155 *An Act to Ensure Appropriate County Government Operations Relating to the Position of Dedimus Justice* (Sponsored by Rep. Lynn of Albion)

This bill amends the law governing dedimus justices by requiring the appointment of two county employees and one sheriff's department employee in each county to perform the duties of dedimus justice on behalf of county government and the county sheriff, respectively. The bill also requires the Secretary of State to maintain a roster and post of persons designated as dedimus justices and make the roster available on the secretary's publicly accessible website.

LD 1153 *An Act to Change in Statute the Areas Represented by the Members of the Board of Trustees of the Cross Insurance Arena from Sets of Municipalities to the County Commissioner Districts of Cumberland County* (Sponsored by Rep. Ankeles of Brunswick)

This bill changes in statute the geographical areas represented by members of the Board of Trustees of the Cross Insurance Arena from Portland and rather than naming the municipalities from where trustees must be appointed, direct the county commissioners to appoint trustees from each of their districts.

LD 1149 *An Act to Require an Individual to Present Photographic Identification for the Purpose of Voting* (Initiated Bill)

This initiated bill requires the presentation of photographic identification for in-person and absentee voting with acceptable forms including an unexpired Maine driver's license, nondriver identification card, interim identification form issued by the Secretary of State, U.S. passport or passport card, U.S. military identification card, Maine National Guard identification card and U.S. Department of Veterans Affairs identification card. The bill directs the Secretary of State to provide free nondriver identification cards for photographic identification. The bill allows voters without photographic identification to complete a challenged ballot and within four days after the date of the election appear before the registrar of voters and present photographic identification. The bill also provides an exception for voters with religious objections to being photographed. The bill removes provisions of law that allow voters to make telephone applications for absentee ballots and that allow voters to automatically apply for absentee status.

## **March 18, 2025**

LD 1148 *An Act to Improve Access to Absentee Ballots for Municipal Elections for Uniformed Service Voters and Overseas Voters* (Sponsored by Rep. Shagoury of Hallowell)

This bill directs municipalities to provide a copy of their local ballots to the Secretary of State for all municipal elections held on the same date as a statewide election and provides that an application or request for an absentee ballot by a uniformed service or an overseas voter for any municipal election that is to be held on the same date as a statewide election for which the

uniformed service voter or overseas voter is eligible, is valid for 18 months, as is currently provided for all federal and state elections. The bill also authorizes the Secretary of State to receive local ballots from municipalities holding such elections, to issue those ballots to uniformed service and overseas voters who are eligible to receive them, and to receive and deliver cast local ballots to municipalities by the close of the polls on election day.

LD 1145 *An Act to Protect Residents Living in Mobile Home Parks* (Sponsored by Sen. Nangle of Cumberland Cty.)

This bill gives a group of mobile homeowners or a mobile homeowners' association the right of first refusal to purchase a mobile home park that the owner intends to sell. The bill also requires an owner who intends to make a change in use of the mobile home park to provide notice to owners of mobile homes and, at the owner's expense, facilitate the relocation of the homes within a 25-mile radius.

LD 1144 *An Act to Reinstate the Property Tax Stabilization Program* (Sponsored by Sen. Libby of Cumberland Cty.)

This bill reinstates the property tax stabilization program and as of April 1, 2026, allows residents who are 65 years of age or older and who have owned a home in Maine for at least 10 years to apply for the benefit. The bill amends the original program by: (1) limiting the stabilization to \$900,000 of the home's assessed value; (2) clarifying that the homeowner can only have the property tax stabilized on one homestead in a property tax year; and (3) allowing municipalities to file for state reimbursement for administrative expenses. The bill retains the provision requiring 100% state reimbursement for lost property tax revenue.

LD 1143 *An Act to Update Language on Setback Variances for Single-family Dwellings and Variances from Dimensional Standards* (Sponsored by Sen. Libby of Cumberland Cty.)

This bill changes references to a "single-family dwelling" to a "dwelling" in the law regarding setback variances. The bill also amends the law governing variances from dimensional standards to allow a variance when there is a practical difficulty, and the property is not wholly located within a shoreland area.

LD 1138 *An Act to Reduce Pollution Associated with Transportation in Alignment with the State's Climate Action Plan* (Sponsored by Sen. Brenner of Cumberland Cty.)

This bill seeks to limit greenhouse gas emissions from the transportation sector by directing the Department of Transportation to: (1) adopt rules necessary to ensure compliance with gross and net annual greenhouse gas emission reduction levels; (2) develop and, by July 1, 2026, publish a plan that, at a minimum, sets forth strategies for reducing greenhouse gas emissions; and (3) beginning July 1, 2026, complete an impact assessment of a capacity expansion project, defined as a project resulting in a modification to improve vehicle travel time or increase maximum throughput, which also applies to the Maine Turnpike Authority. The bill also requires the Department of Environmental Protection to adopt rules establishing greenhouse gas emissions limits specific to different source categories within the transportation sector that are designed to be achieved through biennial targets imposed over a 10-year period. The bill establishes the Transportation Climate Technical Committee to assist in the development and review of the transportation greenhouse gas emissions reduction plan, as well as to advise the

department, authority and legislature of the progress made by the transportation sector in meeting greenhouse gas emission goals.

This emergency resolve directs the Department of Economic and Community Development to convene a working group to study municipal management recruitment, retention and training challenges. Within 30 days of the effective date of the resolve, the department is directed to appoint the working group members, which must include at least seven members who have knowledge and experience in municipal government management. At a minimum the working group is directed to consider: (1) the skills needed in municipal careers and methods to attract and retain a diverse municipal government workforce; (2) how to provide municipal government career education in all post-secondary institutions; and (3) the incentives needed to attract people to careers in municipal government. No later than December 3, 2025, the department must submit a report to the Joint Standing Committee on State and Local Government, which is authorized to submit legislation in 2026.

LD 1089 *An Act to Permanently Fund 55 Percent of the State's Share of Education by Establishing a Tax on Incomes of More than \$1,000,000* (Sponsored by Rep. Golek of Harpswell)

This bill imposes an income tax surcharge of 4% on the portion of Maine taxable income that exceeds \$1 million and to use the generated revenue to fund prekindergarten to grade 12 public education.

LD 1087 *An Act to Increase the State's Share of Major Capital School Construction Costs* (Sponsored by Rep. Boyer of Cape Elizabeth)

Beginning on July 1, 2026, this bill provides that the state's share of the total cost of a school construction project is the greater of: (1) 25% of the total cost of the project; and (2) the percentage equal to the state share percentage of the school administrative unit's total cost of education as determined by the essential programs and services funding formula, whichever is greater. The bill also directs the State Board of Education to adopt or amend related rules as necessary.

*LD 1083* *Resolve, to Require the Department of Environmental Protection to Assess Existing Water Retention Structures and Water Levels* (Sponsored by Rep. Mason of Lisbon)

This resolve directs the Department of Environmental Protection to examine water retention structures, including dams, for erosion issues and other effects of rising water levels; assess water levels in lakes and ponds that contain water retention structures; and by December 3, 2025, submit a report based on its assessment for presentation to the Legislature in 2026.

*LD 1082* *An Act to Invest in Maine's Families and Workforce by Amending the Real Estate Transfer Tax* (Sponsored by Speaker Fecteau of Biddeford)

This bill exempts the real estate transfer tax from being assessed on participants in the Maine State Housing Authority's first-time home-buyer mortgage loan program. It also increases the real estate transfer tax from \$2.20 to \$5 per \$500 for real estate sales over \$1 million and directs as a priority that the generated revenues be used to meet bond obligations under the Maine Energy, Housing and Economic Recovery Program. Of the remaining revenues, the bill directs that 17% is distributed to the Housing First Fund; 15% to the Housing Opportunities for Maine Fund; 60% to the affordable housing income tax credit program and the authority's rural affordable rental and homeownership program; and finally, to the General Fund.

*LD 1081* *An Act to Support Access to General Assistance at Municipal General Assistance Offices and Designated Places* (Sponsored by Rep. Sachs of Freeport)

This bill requires municipalities to designate the hours when GA applications can be obtained, and when those applications will be accepted and processed, which may not be less than 50% of the municipality's regular business hours. The bill also requires municipalities to post notice informing the public of the: (1) hours when applications can be obtained; (2) hours when applications will be processed; (3) name of the overseer who is available to take applications in an emergency and outside daily business hours; (4) requirement that the municipality issue a written decision within 24 hours of receiving an application; and (5) Department of Health and Human Services' toll-free number for reporting alleged violations of these requirements.

*LD 1080* *An Act Prohibiting Public Utilities from Requiring Deposits Based Solely on a Residential Customer's Income* (Sponsored by Rep. Sachs of Freeport)

This bill prohibits a public utility from requiring a deposit based solely on the applicant's income and defines an applicant as a person who has not been a customer of the utility within 30 calendar days of the application. No later than October 1, 2025, the bill also directs the Public Utilities Commission to initiate rulemaking to implement the provisions of the bill.

*LD 1078* *An Act to Support Maine's Public Health Objectives by Increasing Access to Hypodermic Apparatus Exchange Programs* (Sponsored by Rep. Rana of Bangor)

This bill allows a certified hypodermic apparatus exchange program to operate additional locations within the same county as the certified program provided the state is notified of the additional locations and there is a process in place for the proper disposal of syringes. The bill also requires the program to provide monthly data to the Maine Center for Disease Control and Prevention on the locations of additional sites, the number of hypodermic apparatuses collected and disposed, and any additional data requested.

LD 1076 *An Act to Hire School Security Officers to Protect Students and Make Schools Safer* (Sponsored by Rep. Perkins of Dover-Foxcroft)

This bill authorizes municipal police departments and county sheriff's offices to hire personnel specifically as school security officers, who must be trained by the Maine Criminal Justice Academy and certified as part-time law enforcement officers under the preservice training program.

LD 1075 *An Act to Require Annual Reporting Regarding the Low-income Home Energy Assistance Program* (Sponsored by Rep. Perkins of Dover-Foxcroft)

Beginning in 2026, this bill requires the Maine State Housing Authority to report annually to the joint standing committee of the Legislature having jurisdiction over housing and economic development matters on the Low-income Home Energy Assistance Program. The report must include total funds disbursed, the amount of funds disbursed by fuel type, administrative costs to manage the program, a detailed list of all funding sources and the total number of recipients of assistance by county.

LD 1074 *An Act to Remove the Limit on the Length of Probation That May Be Served for Aggravated Attempted Murder* (Sponsored by Rep. Lajoie of Lewiston)

This bill amends the Maine Criminal Code to provide that the period of probation for a person sentenced for aggravated attempted murder is any term of years.

LD 1073 *An Act to Amend Provisions of the Maine Metallic Mineral Mining Act to Advance Health Equity and Improve the Well-being of Vulnerable Populations* (Sponsored by Rep. Rana of Bangor)

This bill requires an applicant for a mining permit to: (1) submit a human health impact assessment report that identifies all potential emission and effects associated with the mining project; (2) demonstrate the ability to implement and fund perpetual treatment and monitoring of mining waste; (3) demonstrate the operation will use clean energy measures and technologies, as practicable; (4) comply with air quality standards and requirements through direct measurement of emissions; (5) provide proof of and maintain comprehensive general liability insurance; and (6) notify surrounding communities of the operations and to attend a public hearing as requested. The bill also prohibits the Department of Environmental Protection from issuing permits for mining operations that: (1) involve the release of PFAS substances; (2) use explosives or blasting materials that contain perchlorate; or (3) do not meet all applicable setback requirements.

LD 1072 *An Act to Amend the Laws Governing the Land for Maine's Future Program and to Authorize the Use of Options to Purchase at Agricultural Value* (Sponsored by Sen. Brenner of Cumberland Cty.)

This bill amends the law governing the Land of Maine’s Future (LMF) Program to add maintaining working lands for farming, commercial fishing and forestry to the program’s mission and defines “interest in property” as both fee and less-than-fee simple interest, including conservation, access and scenic easements in land and long-term leases of at least 99 years. The bill also provides an avenue for purchasing property at the agricultural value, which is defined as an agreement in recordable form between the fee owner of working farmland property and one or more qualified holders, including the municipality where the property is located, and that permits a qualified holder to control, either directly or indirectly, the purchase price of the working farmland property for the primary purpose of making available and affordable, and preserving the permanent availability of that property for working farmland.

[LD 1071](#) *Resolve, Directing the Department of Education to Conduct a Review of the Implementation of Public Law 2021, Chapter 295 and Directing the Department of Health and Human Services to Consult with School Administrators Regarding Developing a Plan for Community-based Crisis Receiving Centers* (Sponsored by Sen. Tipping of Penobscot Cty.)

The resolve directs the Department of Education to conduct a review of the options for disciplinary response for students who have recently made a threat of bodily harm but do not currently pose an imminent danger of serious bodily injury and report findings to the Joint Standing Committee on Education and Cultural Affairs. The resolve also requires the Department of Health and Human Services to consult with school administrators to examine how community-based crisis receiving centers may be integrated with school mental health and substance use disorder response services and to report findings to the Joint Standing Committee on Health and Human Services. Reports are due no later than December 3, 2025, and both committees are authorized to submit legislation in 2026.

[LD 1067](#) *An Act to Improve the Process for Mobile Home Owners to Purchase Their Mobile Home Park* (Sponsored by Sen. Bradstreet of Kennebec Cty.)

This bill increases from 51% to 60% the percentage of homeowners needed to indicate they support making an offer to purchase the mobile home park where they live. The bill also prohibits a mobile homeowners’ association from contacting mobile homeowners more than three times about the purchase of the mobile home park.

[LD 1066](#) *An Act Regarding Limits on Municipal General Assistance Programs* (Sponsored by Sen. Barnard of Aroostook Cty.)

This bill amends the General Assistance (GA) laws by: (1) limiting housing assistance to three months per 12-month period, except for temporary or emergency shelter housing; (2) prohibiting municipalities from exceeding maximum levels of assistance more than 30 days in a 12-month period; (3) extending from 120 to 180 days the period of ineligibility for applicants who quit or are discharged from work; and (4) requiring applicants who are capable of working to perform work for the municipality or a nonprofit organization as a condition of receiving assistance.

LD 785 *An Act to Enact the Remaining Recommendations of the Task Force on Changes to the Maine Indian Claims Settlement Implementing Act* (Sponsored by Sen. Talbot Ross of Cumberland Cty.)

This bill amends the Maine Indian Claims Settlement Implementing Act to ensure that the Passamaquoddy Tribe, Penobscot Nation, and Houlton Band of Maliseet Indians (tribes) enjoy rights, privileges, powers, duties and immunities similar to those of other federally recognized tribes in the U.S. The bill also: (1) Recognizes that the rights, privileges, powers, duties and immunities of the Houlton Band of Maliseet Indians apply to "Houlton Band Trust Land," which includes all land and natural resources acquired by the U.S. Secretary of the Interior in trust for the band under the federal Houlton Band of Maliseet Indians Supplementary Claims Settlement Act of 1986. (2) For the Passamaquoddy Tribe and Penobscot Nation, recognizes as Indian territory any land acquired by the secretary in trust for the tribe or nation within specific counties of the state either prior to the effective date of this legislation or after the effective date of this legislation if the land is not located within the borders of a city, town, village or plantation. If trust land acquired after the effective date of this legislation and is located within the borders of a city, town, village or plantation, it may be considered Indian territory if the tribe or nation enters into an agreement with the local government addressing payments in lieu of taxes, allocation of law enforcement responsibility and land use. (3) Includes within Passamaquoddy Tribe territory all lands owned in fee simple by the tribe on the effective date of this legislation if those lands are located within specific counties and are subsequently acquired by the secretary; (4) Repeals the provisions of the Maine Implementing Act regarding the takings of tribal lands for public use. (5) Provides that the tribes, as well as their officers and employees, are immune from suit to the same extent as other federally recognized Indian tribes and their officers and employees under federal Indian law. (6) With respect to the regulation of natural resources, the bill: (a) Recognizes the exclusive authority of the tribes to regulate fishing, hunting, trapping and other taking of wildlife by both tribal and nontribal citizens within their respective Indian territories and trust land; (b) retains the authority of the Maine Indian Tribal-State Commission under current law to regulate fishing on boundary waters; and (c) authorizes the state, solely for conservation purposes, to regulate tribal members engaged in

fishing, hunting, trapping and other taking of wildlife off Indian territory or trust land to the extent permitted under federal Indian law and consistent with reserved tribal treaty rights. (7) Combines within one section of the Maine Implementing Act the authority of law enforcement officers appointed by the tribes to enforce laws within their respective territories and trust land and that tribal courts have exclusive jurisdiction over criminal and juvenile laws in their respective tribes. (8). With respect to civil jurisdiction, the bill recognizes the exclusive authority of the tribes to: (a) exercise civil regulatory authority on their respective territories or trust land and over their respective tribal members and tribal entities; (b) exercise civil regulatory authority on their respective Indian territory or trust land over persons and entities who are not tribal citizens or tribal entities; (c) exercise adjudicatory jurisdiction over civil actions arising on the Indian territory or trust land. (9) Requires the development of a dispute resolution process to facilitate resolution of disputes between the State of Maine and tribes. (10) Provides that except for any provision of federal Indian law that conflicts with the Maine Implementing Act's provisions may conduct gaming activities only in accordance with state law and not under the authority of the federal Indian Gaming Regulatory Act or its implementing regulations.

This bill requires the operator of a solar or wind energy development to conduct testing for PFAS contamination at the development site in accordance with rules adopted by the Department of Environmental Protection. If PFAS contamination is discovered, the department must issue a written determination as to whether the contamination was reasonably caused by the construction, operation or components of the development. If the department determines the contamination was reasonably caused by solar or wind energy development, then the development no longer meets the eligibility requirements as a renewable resource or renewable capacity resource for the purposes of energy procurement or other contracting under state statutes or for participation in state net energy billing programs.

[LD 449](#) *An Act to Authorize a Court to Conditionally Discharge Certain Criminal Defendants* (Sponsored by Rep. Sinclair of Bath)

This bill authorizes a court to enter an order of conditional discharge suspending all of a defendant's pending criminal proceedings for a period of up to six months, during which time the defendant must refrain from engaging in criminal conduct and must abide by certain conditions, similar to conditions of probation, that the court considers reasonable and appropriate to assist the defendant in leading a law-abiding life. A defendant is eligible for a conditional discharge if the defendant has not previously been convicted of murder or a Class A, B or C crime; is currently charged with only one or more Class B drug crimes or Class C, D or E crimes; has not previously been subject to a conditional discharge; and consents in writing to the conditional discharge. At the end of the conditional discharge, the court is required to enter an order dismissing, with prejudice, the pending criminal charges that were the subject of the order of conditional discharge. The bill also amends the Good Samaritan law to provide that a defendant is immune from proceedings to terminate a conditional discharge if the grounds for the termination motion are obtained because of a medical professional's or law enforcement officer's responding to a request for medical assistance for a suspected drug-related overdose.

[LD 447](#) *An Act to Expand Ferry Service to Matinicus Isle* (Sponsored by Rep. Geiger of Rockland)

This resolve directs the Department of Agriculture, Conservation and Forestry to convene a nine-member stakeholder group to review Maine's subdivision laws. One member of the stakeholder group must be either a municipal official with experience with subdivision law or a currently employed code enforcement officer. By December 3, 2025, the department is further directed to submit a report with findings and recommendations to the joint stand committees of the Legislature having jurisdiction over subdivision statutes, which are authorized to submit related legislation in 2026.

LD 159 *An Act to Require Vehicle Registrations to Include the Next of Kin of the Vehicle Owner* (Sponsored by Rep. Perkins of Dover-Foxcroft)

This bill adds to the list of required information on a vehicle registration application and certificate the legal name and address of the registrant's next of kin.

LD 158 *An Act to Direct the Secretary of State to Establish a Date Each Year for Voting by Absentee Ballot* (Sponsored by Rep. Parry of Arundel)

This bill directs the Secretary of State, no later than January 31, to establish the dates by which all municipalities must issue and accept absentee ballots for the regular elections of state and federal officers occurring in the election year.

LD 154 *An Act to Amend the Transportation Laws* (Sponsored by Rep. Crafts of Newcastle)

This bill allows revenues distributed to municipalities under the Local Road Assistance Program (LRAP) to be used not only for capital improvements, as the program currently provides, but also for the maintenance of roadway infrastructure, bridges and structures. The bill also amends the provision of law governing the distribution of urban compact assistance funds to allow distribution of funds for all other public roads maintained by a municipality located inside an urban compact area. Funds are distributed at a rate of \$600 per year per lane mile except that funds for seasonal public roads are distributed at a rate of \$300 per year per lane mile.

LD 153 *An Act to Prohibit the Unauthorized Mooring of Watercraft* (Sponsored by Rep. Milliken of Blue Hill) **DEAD**

This bill prohibits a person from securing a watercraft to a mooring without receiving permission from the mooring's owner or lessee and establishes penalties and exceptions to that prohibition.

LD 152 *An Act to Amend the Freedom of Access Act to Require a Specific Time Frame for Agencies to Comply with Requests for Public Records* (Sponsored by Rep. Libby of Auburn)

This bill amends the Freedom of Access Act by requiring a public entity to fully respond to a request within 30 days. Under current law, the entity is required to respond within a reasonable timeframe.

LD 151 *An Act to Allow Businesses to Impose a Surcharge on Credit Card and Debit Card Transactions* (Sponsored by Rep. Tuell of East Machias)

This bill extends the provision in existing law allowing governmental entities to impose surcharges for payments made with a credit or debit card to all sellers and transactions.

LD 140 *An Act to Incrementally Increase the Homestead Property Tax Exemption* (Sponsored by Sen. Baldacci of Penobscot Cty.)

Beginning on April 1, 2026, this bill increases the value of the homestead exemption by \$10,000 annually, until the exemption is \$85,000 and beginning on April 1, 2033, requires the exempt value to be adjusted annually by the rate of inflation.

## **January 8, 2025**

LD 138 *An Act to Exempt Airports from Certain State Endangered and Threatened Species Habitat Protections* (Sponsored by Sen. Bennett of Oxford Cty.)

This bill exempts the property of an airport from protections for state endangered and threatened species that may require special management considerations or protection guidelines and from restrictions on state and municipal approval of projects that may significantly impact state endangered and threatened species habitats.

LD 133 *An Act to Amend the Laws Regarding Nuisance Dogs* (Sponsored by Sen. Bennett of Oxford Cty.)

This bill amends the definition of "nuisance dog" to include a dog or wolf hybrid that disturbs the peace of an individual by excessive barking, howling or yelping, and the individual is not trespassing on the dog or wolf hybrid owner's or keeper's premises at the time of the excessive barking, howling or yelping. The bill also explicitly authorizes a person to file a written complaint to a sheriff, local law enforcement officer or animal control officer if the person's peace has been disrupted by a dog that barks, howls or yelps excessively.

LD 132 *Resolve, to Establish the Commission to Study the Constitution of Maine* (Sponsored by Sen. Hickman of Kennebec Cty.)

This resolve establishes a 12-member Commission to Study the Constitution of Maine, which consists of eight legislators, the Secretary of State, a constitutional law scholar, and representatives of a federally recognized Indian tribe and a national civil liberties organization. The commission is tasked with reviewing the constitution and developing recommendations to: (1) strengthen Maine's Declaration of Rights, Article I of the Constitution of Maine; (2) remove procedural minutiae from the constitution that are better left to statute; (3) enable the popular election of constitutional officers; (4) establish four-year terms for Senators; (5) reduce the number of members of the Legislature; (6) establish a unicameral Legislature; (7) allow constitutional amendments to be initiated directly by the people; and (8) examine any

constitutional resolutions introduced in the 132nd Legislature. No later than November 4, 2026, the commission is required to submit its report and recommendations, including suggested amendments to the constitution, for presentation to the Joint Standing Committee on Judiciary, which is authorized to submit legislation in 2027.

LD 131 *An Act to Eliminate the Provision of the Maine Workers' Compensation Act of 1992 That Allows an Employer Member of a Group Self-insurer to Insure Its Employees Through a Fronting Arrangement* (Sponsored by Sen. Bailey of York Cty.) **Enacted; PL 2025, c. 1 (effective 6/20/25)**

This bill eliminates the authority for an employer member of a group self-insurer to form workers' compensation fronting company arrangements.

LD 128 *An Act to Support Permitting of Certain Multifamily Housing Developments Under the Site Location of Development Laws* (Sponsored by Sen. Pierce of Cumberland Cty.)

This bill amends the definition of "subdivision" for purposes of the site location of development laws to allow lots that include detached residential housing designed to accommodate up to four families, including accessory dwelling units, instead of just single-family housing. This bill also specifies that rules made by the Board of Environmental Protection to permit, by rule, any class of activities that would otherwise require individual issuance of a permit or approval by the board are routine technical rules.

LD 124 *An Act to Protect the Right to Food* (Sponsored by Sen. Hickman of Kennebec Cty.)

Of municipal interest, this bill creates the Maine Vegetable Garden Protection Act, designed to protect an individual's constitutional authority to cultivate vegetable gardens on a person's property or, with permission, on the property of another person, in any political subdivision, including municipalities, plantations and counties, which cannot prohibit or regulate vegetable gardens, permaculture, edible landscaping, food forests or community gardens in a way that is inconsistent with the act. The garden protection proposal also authorizes political subdivisions to develop and implement programs to promote permaculture and establish edible landscaping, food forests and community gardens in public spaces and further authorizes entities to seek and accept funds from public and private sources to support those efforts. The bill also amends the Food Sovereignty Act by: (1) adding to the list of the Department of Agriculture, Conservation and Forestry duties the responsibility to protect the constitutional right to food; (2) defining the terms consumer, food producer, food sovereignty and traditional foodways; (3) establishing six principles to further preserve rural life and values and to protect the right to food, including focusing on people, valuing producers, localizing food systems, promoting local control, building knowledge and skills and working with nature; and (4) extending the authority of municipalities to adopt food sovereignty related ordinances to those regulating traditional foodways and further providing that the law does not require municipalities to adopt a specific form or framework in the process of adopting traditional foodways or direct producer-to-consumer transactions. As defined in the bill, "traditional foodways" are cultural, social and economic practices related to the production and consumption of food, including the conveyance of knowledge regarding food production, preservation, preparation and presentation.

LD 123 *An Act Regarding Licensure of Emergency Medical Services Persons* (Sponsored by Sen. Cyrway of Kennebec Cty.) **Enacted; PL 2025, c. 7**

This bill amends the law governing the minimum requirements for licensing and relicensing of emergency medical services persons by removing the requirement that a person seeking licensing or relicensing must have successfully completed the practical evaluation of emergency medical treatment skills approved by the Emergency Medical Services' Board and replacing it with a requirement that the person must have successfully completed an assessment of emergency medical treatment skills approved by the board.

LD 121 *An Act to Include Brush and Yard Debris in the Definition of "Litter"* (Sponsored by Sen. Black of Franklin Cty.)

This bill amends the Maine Litter Control Act by adding brush and yard debris to the definition of "litter."

LD 119 *An Act to Include the Declaration of an Emergency by the President of the United States as a Basis to Allow the Governor to Provide Disaster Relief to Local Government* (Sponsored by Sen. Beebe-Center of Knox Cty.)

This bill includes the declaration of an emergency by the President of the United States as a basis to allow the Governor to provide disaster relief to local governments.

LD 118 *An Act to Allow Candidates for Sheriff and District Attorney to Participate in the Maine Clean Election Act* (Sponsored by Sen. Bennett of Oxford Cty.) **DEAD**

This bill allows candidates for the offices of sheriff and district attorney to participate in the Maine Clean Election Act beginning with the 2028 election cycle.

LD 115 *An Act to Assess Impact Fees on Megayachts* (Sponsored by Sen. Bennett of Oxford Cty.)

This bill provides that a megayacht is subject to an impact fee of \$10 per foot of length over 150 feet for each day up to 30 consecutive days that the megayacht is secured to a slip in a municipality that collects slip fees. The bill provides that commercial fishing vessels, certain commercial cruise vessels, commercial scientific research vessels, marine salvage or construction equipment vessels, commercial freight-carrying vessels, vessels built before 1950, vessels made primarily of wood, military vessels and vessels owned by academic institutions are not included in the definition of "megayacht." Municipalities are allowed to retain 10% of all impact fees, with the remainder to be transferred to the Megayacht Fund, as established in the bill, and requires that 50% of funds be used to support harbor infrastructure and sea level rise mitigation infrastructure and 50% of funds support public transit infrastructure, including ferries and land-based public transportation.

LD 114 *An Act to Amend the Charter of the Lewiston-Auburn Water Pollution Control Authority* (Sponsored by Rep. Cloutier of Lewiston) **Passed to be Engrossed**

This bill amends the charter of the Lewiston-Auburn Water Pollution Control Authority to allow the authority to operate under the assumed name of the Lewiston Auburn Clean Water Authority.

LD 111 *An Act to Increase the State's Share of Retired Teacher Health Insurance* (Sponsored by Rep. Dodge of Belfast)

This bill requires the State to pay 65% of a retired teacher's share of the premium for group accident and sickness or health insurance from July 1, 2025 to June 30, 2026 and 70% after July 1, 2026.

LD 110 *An Act to Require Reporting on the Expenditure of Opioid Settlement Funds by Certain Municipalities and County Governments* (Sponsored by Rep. Brennan of Portland)

This bill requires that a direct share subdivision that receives opioid settlement funds in accordance with the Maine State-Subdivision Memorandum of Understanding and Agreement Regarding Use of Settlement Funds, dated and signed on January 26, 2022, and the Maine State-Subdivision Memorandum of Understanding and Agreement Regarding Use of Settlement Funds-2023, dated and signed on May 2, 2023, collectively referred to in the bill as the Memoranda of Understanding, must submit an annual report to the Attorney General detailing the amount of such funds received and expended in the prior calendar year and including a description of each such expenditure. The first annual report must be submitted by January 15, 2026. A direct share subdivision is defined in the bill as a municipality or county that is a plaintiff subdivision identified in Exhibit 3 of the Memoranda of Understanding.

LD 107 *An Act to Require Health Insurance Coverage for Biomarker Testing* (Sponsored by Rep. Zager of Portland)

This bill requires insurance coverage, including coverage in the MaineCare program, for biomarker testing.

LD 106 *An Act Regarding the Taxation of Paid Family and Medical Leave Benefits* (Sponsored by Rep. Cloutier of Lewiston)

This bill provides that benefits paid from the paid family and medical leave program are subject to state income tax to the extent those benefits are not included in the taxpayer's federal adjusted gross income. It also provides that a taxpayer's federal adjusted gross income may be reduced by the amount subject to repayment that has been previously taxed by the State. It also allows individuals filing a new claim for family leave benefits or medical leave benefits to elect to have the administrator of the program deduct and withhold state income tax from the individual's payment of benefits at the rate of 5% and requires the administrator of the program to deduct and withhold state income tax. It also requires the department to advise individuals filing a new claim for benefits that the benefits are subject to state income tax.

LD 104 *An Act to Protect the Health of Medical Cannabis Patients and Streamline the Mandatory Testing of Cannabis* (Sponsored by Rep. Malon of Biddeford)

In large part, this bill amends the medical cannabis law by creating the regulations and standards necessary to require registered caregivers, registered dispensaries and manufacturing facilities to submit harvested cannabis to a registered cannabis testing facility to ensure that the harvested cannabis does not exceed the maximum level of allowable contamination for any contaminant that is injurious to health, before being sold to a qualifying patient. The bill also creates testing facility requirements, both through statute and rulemaking authority, which requires an owner to obtain authorization from the municipality where the testing facility will be located. The bill also directs the Office of Cannabis Policy to adopt labeling, packaging and other necessary health and safety rules regulating harvested cannabis sold or transferred to a qualifying patient.

LD 102 *An Act to Notify the Public of Juveniles Who Are Wanted Persons* (Sponsored by Rep. Lajoie of Lewiston)

This bill allows criminal justice agencies to provide to the public certain juvenile history record information for the purpose of apprehending a juvenile that has escaped from custody as defined by the Maine Criminal Code or when a warrant of arrest has been issued alleging the juvenile has committed a crime that would constitute murder or a Class A, B, C or D crime if the juvenile were an adult.

LD 101 *An Act Regarding Public Records and Fees for Requesting Public Records from the Department of Inland Fisheries and Wildlife* (Rep. Roberts of South Berwick)

In part, this bill creates an exception from the provisions of the Freedom of Access Act that govern the fees that an agency may charge to a person requesting public records and allows the Department of Inland Fisheries and Wildlife to charge a separate fee of \$5 per record for copies of applications, licenses, registrations, permits and recreational vehicle crash reports and 3 cents per name or per record, with a minimum charge of \$10, for spreadsheets and lists of records related to applications, licenses, registrations, permits and recreational vehicle crash reports. These fees are subject to sales tax, and therefore the bill also modifies the provisions of tax law defining "retail sale" and "sales price" to facilitate applying a sales tax to these fees.

LD 99 *An Act to Clarify Information Sharing Between the Department of Health and Human Services and Schools with Respect to Investigations of Child Abuse or Neglect* (Sponsored by Rep. Murphy of Scarborough)

This bill clarifies that an investigation team of the Department of Health and Human Services may share information with the superintendent of a school administrative unit, the chief administrator of a private school or a public school not in a school administrative unit when there is an indicated or substantiated finding of out-of-home child abuse or neglect against an employee of or a student registered in that school administrative unit.

LD 97 *An Act to Facilitate the Improvement of Credit Scores of Residents of Department of Corrections Facilities* (Sponsored by Rep. Sayre of Kennebunk) **Enacted; PL 2025, c. 6**

This bill allows the commissioner of the Department of Corrections, by rule, to allow a client of a correctional facility to receive a loan from a finance institution, without the funds being deposited in the department's general client account or telephone account, provided the loan is: (1) designed to improve the client's credit score; (2) deposited into the client's savings account at the financial institution; (3) secured by the money dispersed by the client from the department's general client account to the savings account at the financial institution; and (4) paid in full from the secured funds in the client's account.

LD 96 *An Act to Amend the Motor Vehicles and Traffic Law Governing Mandatory Driver's License Suspension for Refusing Testing for Drugs or a Combination of Drugs and Alcohol* (Sponsored by Rep. Bunker of Farmington)

Under current law, a person is required to submit to a blood or urine test selected by a drug recognition expert if that drug recognition expert has probable cause to believe that the person is under the influence of a specific category of drug, a combination of specific categories of drugs or a combination of alcohol and one or more specific categories of drugs. The bill

changes this provision by broadening the probable cause to include impairment caused by "a drug" or "drugs" generally, replacing "drug recognition expert" with "law enforcement officer" and modifying the requirements pertaining to the type of test or tests required under the provision. The bill also adds a provision clarifying that the Secretary of State is required to immediately suspend the driver's license of a person who fails to submit to and complete a test under the provision of law governing drug impairment assessments in accordance with existing procedures

LD 95 *An Act to Amend and Simplify Certain Wildlife Laws* (Sponsored by Rep. Cluchey of Bowdoinham)

Of municipal interest, the bill reorganizes the statutes regulating the Department of Inland Fisheries and Wildlife's rulemaking authority over opening hunting areas, which still require approval by the municipal legislative body.

LD 92 *An Act Regarding the Management of the Waste Components of a Solar Energy Development upon Decommissioning* (Sponsored by Rep. Lemelin of Chelsea)

This bill amends the solar energy development decommissioning laws by requiring that the recycling or disposal of waste components of a solar energy development occurs within 90 days of the physical removal of the waste components from the development.

LD 86 *An Act to Update the Laws Regarding Education* (Sponsored by Rep. Sargent of York)

In part, this bill allows the residents of a municipality within a community school district to petition and vote to withdraw from the district in the same manner afforded to residents in a regional school unit.

LD 83 *An Act Concerning the Filing of Marriage Licenses and the Recording of Intentions as Part of the Electronic Vital Records System* (Sponsored by Rep. Kuhn of Falmouth)

This bill amends the laws regarding the management of marriage licenses by requiring: (1) completed applications to be attached to the marriage record stored in the State Register of Vital Statistics' electronic system; (2) in situations where licenses have been erroneously issued and the couple as not yet married, the state register or municipal clerk to inform parties that they cannot marry until the judge of probate approves the marriage; and (3 ) marriage licenses returned later than 90 working days following the marriage be marked as delayed in filing. The bill also repeals the provision in statute requiring the municipal clerk to provide applicants of a marriage license a Department of Health and Human Services brochure concerning the effects of alcohol and drugs on fetuses.

LD 82 *An Act to Amend the Workers' Compensation Laws by Extending Indefinitely the Presumption Applying to Law Enforcement Officers, Corrections Officers, E-9-1-1 Dispatchers, Firefighters and Emergency Medical Services Persons Diagnosed with Posttraumatic Stress Disorder* (Sponsored by Rep. Mathieson of Kittery)

This bill repeals the October 1, 2025 repeal of a provision in the Workers' Compensation Act of 1992 that makes a post-traumatic stress disorder resulting from a workplace injury and suffered by a law enforcement officer, corrections officer, E-9-1-1 dispatcher, firefighter or emergency medical services person a rebuttable presumption.

LD 79 *Resolve, to Rename the Bridge on Main Street Between Biddeford and Saco the General Wallace H. Nutting Memorial Bridge* (Sponsored by Rep. Malon of Biddeford) **Finally Passed; Resolves 2025, c. 10**

This resolve directs the Department of Transportation to designate Bridge 3423 on Main Street between the City of Biddeford and the City of Saco the General Wallace H. Nutting Memorial Bridge.

LD 71 *An Act Regarding Special Education Funding* (Sponsored by Rep. Mathieson of Kittery)  
Beginning in fiscal year 2026, this bill requires the state to fund no less than 55% of special education costs under the essential programs and services school funding formula.

LD 69 *An Act to Repeal the Law Restricting the Use of Certain Plastic, Paper and Single-use Bags* (Sponsored by Rep. Bagshaw of Windham)

This bill repeals the law restricting the use of recycled paper bags, reusable bags made of plastic and single-use carry-out bags used at a point of sale.

LD 68 *An Act to Amend the State Tax Laws* (Sponsored by Rep. Cloutier of Lewiston)

Of municipal interest, this bill changes from April 1 to May 1, the date by which the owner of business equipment tax exemption (BETE) property files a report with the assessor describing the property for which an exemption is claimed and repeals the automatic 30-day extension for filing the report. Instead, the bill authorizes assessors who receive a written request for an extension before taxes are committed to grant, for good cause, additional time to file the report, provided the extension does not exceed three months. The bill also authorizes the State Tax Assessor to provide access to BETE applications, rather than provide copies of the applications.

LD 65 *An Act to Update the Definition of "Coastal Wetlands" Under the Natural Resources Protection Act* (Sponsored by Rep. Doudera of Camden)

This bill amends the definition of “coastal wetlands” in the Natural Resources Protection Act by clarifying that coastal wetlands include all tidal and subtidal lands that are subject to tidal action during the highest astronomical tide as determined by the U.S. Department of Commerce, National Oceanic and Atmospheric Administration.

LD 62 *An Act to Support Municipal and County Actions on Dam Ownership* (Sponsored by Rep. Milliken of Blue Hill)

This bill amends the Department of Environmental Protection’s process regarding the release of dam ownership by requiring the owner to provide sufficient information to enable individuals and groups who own property abutting the dam site, commissioners from the Departments of Inland Fisheries & Wildlife and Agriculture, Conservation & Forestry, director of the MEMA, and representatives of tribal government, municipal officers and county commissioners in the area where the dam is located to determine whether to assume ownership of the dam. The bill also amends the laws governing the timing of a municipal public meeting regarding the release of ownership from no later than 60 days to 180 days after receiving notice of such an action.

LD 61 *An Act to Regulate Employer Surveillance to Protect Workers* (Sponsored by Rep. Roeder of Bangor)

This bill requires employers, including public employers, to provide notice before initiating employee surveillance through electronic devices or systems, and further restricts the use of audiovisual monitoring in an employee's residence, personal vehicle, or on personal property. The bill provides an exception for the use of surveillance cameras for security or safety purposes or the use of global positioning system tracking or other safety devices on vehicles owned by the employer but operated by the employee. The bill also: (1) authorizes an employee to decline a request by an employer to install data collection or transmission applications on the employee's personal electronic devices; (2) requires an employer to notify prospective employees during the interview process that the employer engages in employer surveillance; (3) gives rule-making authority to the Department of Labor; and (4) creates a private right of action for persons aggrieved by a violation by an employer.

LD 60 *An Act to Allow Employees to Request Flexible Work Schedules* (Sponsored by Rep. Roeder of Bangor)

This bill requires employers, including public employers, to consider an employee's request for a flexible work schedule and in the process of considering the request determine if it can be granted in a manner that is consistent with employer operations. Such considerations include the cost to the employer, impacts on employee morale, ability to meet consumer demands, and ability to reorganize work among existing employees, to name a few. Employers must inform an employee, in writing, of the decision, and if denying the request, specify the reasons for the denial. If the request is granted, the employee and employer must mutually agree on the duration, time and terms of the flexible work schedule. With as much notice as possible, the employer can rescind the flexible work schedule when deemed necessary. An employer that takes action to prevent or penalizes an employee for requesting a flexible work schedule is subject to a civil penalty between \$100 to \$500 payable to the Department of Labor. The bill further provides that a collective bargaining agreement may provide employees with more expansive flexible work schedule rights.

LD 56 *An Act to Remove the 5 Cent Fee for Bags in Retail Stores* (Emergency) (Sponsored by Rep. Lemelin of Chelsea)

This emergency bill repeals the 5¢ fee currently required when a retail establishment provides a recycled paper bag or a reusable bag made of plastic to bag products at the point of sale.

LD 55 *An Act to Amend the Law Governing the Accrual of Earned Paid Leave* (Sponsored by Rep. Lemelin of Chelsea)

This amends the law governing earned paid leave to provide that an employee is entitled to earn one hour of paid leave from a single employer for every 40 hours worked, up to the accrual limit specified in the employer's policy. The bill also provides that accrued and unused hours of earned paid leave from the previous year must be available for use by an employee in the current year of employment and further clarifies that accrued and unused hours from the previous year may not reduce the total amount of hours of paid leave an employee is entitled to earn in the current year, up to the accrual limit specified in the employer's policy.

LD 54 *An Act to Require Employers to Disclose Pay Ranges and Maintain Records of Employees' Pay Histories* (Sponsored by Rep. Roeder of Bangor)

This bill requires employers with 10 or more employees to include pay ranges in job postings. The bill also requires that upon request of an employee, an employer disclose the range of pay offered for the position the employee holds. Employers are also required to maintain a record of each position held by an employee and the pay history for the duration of the individual employment and for three years after termination.

LD 50 *An Act to Provide the Right of First Refusal to Towns in Which the University of Maine System and Similar Quasi-independent State Entities Are Selling Property* (Sponsored by Rep. Dodge of Belfast) **DEAD**

This bill provides municipalities with a first right of refusal to purchase the real property owned by a quasi-independent state entity and located in the community at the current market value as determined by an independent appraiser. The right established in the bill expires if the municipality fails to either: (1) provide notice invoking the right within 30 days of receiving written notice of the opportunity; or (2) complete the purchase of the property within three months of invoking the authority.

LD 42 *An Act Regarding the Bind-over and Detention of Juveniles* (Sponsored by Rep. Salisbury of Westbrook)

This bill amends the laws requiring that when a juvenile who has been bound over for prosecution as an adult reaches 18 years of age while incarcerated to be detained in an adult section of a jail, by authorizing the Department of Corrections to request and the court to grant permission to detain the individual in a juvenile facility. The extension applies only for the period of time that the individual is detained prior to the commencement of an adult proceeding, including the appeal of the order binding a juvenile over for prosecution as an adult. The bill also provides that the department may request that the court rescind the order at any time and clarifies that a person who attains 21 years of age may not be detained in a juvenile facility.

LD 38 *An Act Requiring Photographic Identification for Voting* (Sponsored by Sen. Timberlake of Androscoggin Cty.)

This bill requires voters to present photographic identification when voting in person, which includes a Maine issued valid driver's license or nondriver identification card, a U.S. passport, a military identification, or a permit to carry a concealed handgun issued under Title 25, chapter 252 if that permit includes a photograph. An identification issued by a college or university does not qualify as eligible identification. The bill also directs the Secretary of State to provide voters with a special photograph identification card, which must be issued free of charge, and can be used to participate in an election.

This emergency bill increases the minimum weight of an oversized all-terrain vehicle from 2,000 to 2,500 pounds.

LD 16 *An Act to Establish Separate Prosecutorial Districts in Downeast Maine* (Sponsored by Sen. Moore of Washington Cty.)

This bill reduces Prosecutorial District Number 7 to Hancock County and creates Prosecutorial District Number 9 for Washington County.

LD 15 *An Act to Eliminate the Excise Tax on Camper Trailers* (Sponsored by Sen. Libby of Cumberland Cty.)

This bill eliminates the excise tax on camper trailers, which is assessed, collected and retained by municipalities.

LD 13 *An Act to Provide Funds Necessary for the Production and Delivery of Election Materials by the Secretary of State and to Reconvene the Working Group to Study Polling Places at Schools* (Sponsored by Sen. Hickman of Kennebec Cty.)

This bill creates the Product and Delivery of Election Materials Fund, a non-lapsing, interest bearing fund within the Department of the Secretary of State to support the production and delivery of election materials as required by state statutes. Beginning on September 30, 2025, and every September 30 thereafter, the bill directs the state controller to transfer \$266,000 from unappropriated General Fund surpluses to the election materials fund. Every two years, the amount transferred to the fund must be adjusted for inflation. The bill also directs the Secretary of State to reconvene the nine-member working group to study polling places at schools, which includes representatives from the Maine Town and City Clerks' Association and Maine Municipal Association. No later than December 15, 2025, the working group is further directed to submit its report and recommendations regarding student, staff and voter safety and practices around the use of school buildings for elections to the Joint Standing Committee on Veterans and Legal Affairs, which is authorized to report out legislation in 2026.

LD 12 *An Act to Amend the Freedom of Access Act to Apply to Legislative Caucuses* (Sponsored by Sen. Bennett of Oxford Cty.)

This bill defines a "legislative caucus" as a meeting involving three or more legislators of the same political party that convenes for the purpose of conducting business on behalf of the legislature or committee and provides that those proceedings are public under the Freedom of Access Act.

LD 10 *An Act to Add Political Affiliation as a Protected Class to the Maine Human Rights Act* (Sponsored by Sen. Libby of Cumberland Cty.)

This bill amends the Maine Human Rights Act by adding political affiliation as a protected class from employment, housing, public accommodations, credit extension, or education discrimination.

LD 9 *An Act Regarding Campaign Finance Disclosure* (Sponsored by Sen. Hickman of Kennebec Cty.)

Of municipal interest, this bill amends existing laws impacting elections in communities with populations of 15,000 or more by requiring a ballot question committee that not only makes expenditures exceeding \$5,000 to influence a municipal referendum, but also receives contributions exceeding \$5,000, to register and file finance reports with the ethics commission.

LD 7 *An Act to Increase the Homestead Property Tax Exemption for Residents 65 Years of Age or Older* (Sponsored by Sen. Bennett of Oxford Cty.)

This bill extends a \$75,000 exemption on the homestead of a permanent Maine resident who is 65 years of age or older and who has resided in the home for at least 10 years.

LD 4 *An Act to Adopt Eastern Standard Time Year-round* (Sponsored by Sen. Bennett of Oxford Cty.)

Current law authorizes the year-round observation of eastern daylight time, provided it is both authorized by federal law and observed by all states in the eastern time zone, including the

District of Columbia. This bill repeals these conditions and allows for the observation of eastern daylight time in Maine.

LD 3 *An Act to Adopt Eastern Daylight Time Year-round Contingent on Federal Approval* (Sponsored by Sen. Bennett of Oxford Cty.)

Current law authorizes the year-round observation of eastern daylight time, provided it is both authorized by federal law and observed by all states in the eastern time zone, including the District of Columbia. This bill amends the law to allow Maine to observe eastern daylight time year-round, provided federal law or regulation permits it.

LD 2 *An Act to Allow Military Vehicles Purchased for Civilian Use to Be Registered and Operated on Maine Roads* (Sponsored by Sen. Libby of Cumberland Cty.)

This bill allows demilitarized vehicles, defined as automobiles built for and used by the U.S. Armed Forces, including the Space Force and Coast Guard, to operate over Maine roads. The bill directs the Secretary of State to register these vehicles and issue registration plates in a three-number and three-letter combination. An application for registration must include evidence of transfer of title from the federal government and an affidavit that the vehicle is garaged or maintained in the state. Additionally, demilitarized vehicles are subject to motor vehicle inspection requirements, except that the Chief of the State Police can provide certain exemptions under rulemaking authority.

LD 1 *An Act to Increase Storm Preparedness for Maine's Communities, Homes and Infrastructure* (Emergency) (Governor's Bill) (Sponsored by President Daughtry of Cumberland Cty.)

In response to the \$90 million in damages caused by the winter storms of December 2023 and January 2024, Part A of this emergency bill creates the Home Resiliency Program within the Department of Professional and Financial Regulation, Bureau of Insurance to provide grants to assist owners fund home resiliency projects. The program is funded by the Home Resiliency Fund, which is capitalized with a \$15 million transfer from available balances within the bureau. To be eligible, an individual must own and reside in a home that was not the subject of a previous home resiliency project. The bill further directs the bureau to develop a list of eligible projects, post the list on a publicly accessible website, set maximum grant amounts, and adopt the rules necessary to implement the program. The bill also specifies that the bureau may not award grants before May 1, 2026.

Part B of the emergency bill creates the Safeguarding Tomorrow through Ongoing Risk Mitigation Revolving Loan Fund as a dedicated, non-lapsing fund administered by the Maine Emergency Management Agency (MEMA). The fund is used as the state's match for the Federal Emergency Management Agency disaster and hazard mitigation revolving low-interest loan program, which is designed to support municipal and tribal government infrastructure projects that reduce future storm and other hazards risks. The bill also transfers \$750,000 from available balances within the insurance bureau to fund the mitigation loan program, transfers an additional \$10 million from the bureau to capitalize the Disaster Recovery Fund, and directs MEMA to adopt the rules necessary to administer the fund.

Part C of the emergency bill establishes the State Resilience Office within the Maine Office of Community Affairs and directs the office to coordinate, assist and collaborate with state agencies, municipalities, tribal governments and regional entities to improve Maine's resistance to weather-related events. The bill also creates the State Resilience Fund to be administered by the office and with revenue used to support data, planning tools, technical assistance and project funding designed to increase the resilience of communities, state and local infrastructure, businesses and other state entities to natural hazards, storm events and other disasters. The office is also directed to adopt the rules necessary to implement the program. In addition to the one-time transfer of \$9.6 million from the available balances within the insurance bureau, the bill provides that beginning with fiscal year 2028, \$1.755 million from available balances within the bureau's special revenue fund be annually transferred to the State Resilience Fund.
