

Bond Bills of Municipal Interest for LPC's Consideration

Attachment #2

01-18-2024

LD	Subject	Bond Issue	Description	LPC Position
212	Municipal Culverts	\$50 Million	Competitive municipal culvert upgrade grant program to restore rivers, streams, and fish and wildlife habitats. Grant award contingent on a one for one local match.	
367	Transportation	\$200 Million	As printed, the bill requires \$100 million to be put out to referendum in November 2023, and additional \$100 million in November 2024, with \$85 million dedicated to road and bridge improvements and \$15 million for non-highway modes of transportation.	
912	Restore Historic Community Buildings	\$25 Million	Matching grant program to restore historic community buildings administered by the Maine Historic Preservation. Grant award contingent on a 50% local match from either a private or nonprofit entity	
1156	Design, Development and Maintenance of Trails	\$30 Million	Competitive grant program for municipalities, other qualifying Maine subdivisions and nonprofit organizations to design, development, and maintenance of nonmotorized (\$9 million), motorized (\$6 million) and multi-use trails (\$15 million) statewide. Grant award contingent on a match of at least 20%, which may include the value of in-kind contributions.
