

YOUR FEEDBACK MATTERS!

Help Shape the Future of General Assistance in Maine!

The State of Maine **Department of Health and Human Services (DHHS) Office for Family Independence** is dedicated to enhancing our customer service and improving the General Assistance (GA) training programs for municipalities in accordance with 10 -144 C.M.R. Chapter 323. **We're striving to achieve equitable outcomes in the delivery of GA services, and we need your input!**

If you're:

- Past or present applicant or recipient of GA benefits
- A State GA staff member
- A Municipal GA Administrator
- A member of the Maine Welfare Directors Association or Maine Municipal Association

we want to hear from YOU!

Share Your Insights!

Join us for a **30 minute interview** or a **60-75 minute focus group**. Your feedback is crucial in helping us create more effective and equitable GA programs.
